Item 1.01 Entry into a Material Definitive Agreement.

On June 17, 2026, Chicago Atlantic Real Estate Finance, Inc., a Maryland corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Chicago Atlantic BDC, Inc., a Maryland corporation (“Acquiror”), Chicago Atlantic BDC Advisers, LLC, a Delaware limited liability company and the investment adviser to Acquiror (the “Acquiror Adviser”), and Chicago Atlantic REIT Manager, LLC, a Delaware limited liability company and the external manager to the Company (the “Company Manager,” and together with Acquiror Adviser, the “Advisers”). Pursuant to the terms of the Merger Agreement, the Company will merge with and into the Acquiror (the “Merger”), with Acquiror continuing as the surviving company (the “Surviving Company”). Following the Merger, the Surviving Company intends to continue to be treated as a regulated investment company (a “RIC”) under Sections 851 and 852 of the Internal Revenue Code of 1986, as amended (the “Code”). The parties intend the Merger to be treated as a “reorganization” within the meaning of Section 368(a) of the Code.

Prior to the Merger, the Company, which has previously elected to be taxed as a real estate investment trust (“REIT”), will elect to be regulated as a business development company (“BDC”) under the Investment Company Act of 1940, as amended (the “Investment Company Act”), by filing a Form N-54A with the United States Securities and Exchange Commission (the “SEC”) (the “BDC Election” and the time of such filing, the “BDC Election Time”). Prior to the BDC Election, the Company will adopt, subject to approval by its stockholders, a new investment advisory agreement (the “New BDC Advisory Agreement”) with the Acquiror Adviser, which will remain in effect until the Merger Effective Time (defined herein). The Company’s current management agreement with the Company Manager will terminate automatically upon the BDC Election Time, and the New BDC Advisory Agreement will terminate automatically upon the Merger Effective Time, in each case without termination notice or termination payment.

The Board of Directors of the Company (the “Company Board”), upon the unanimous recommendation of a special committee comprised solely of independent directors of the Company (the “Company Special Committee”), unanimously (i) determined that the Merger Agreement, the BDC Election and the terms of the Merger and the other transactions contemplated by the Merger Agreement (the “Transactions”) are fair to, and in the best interests of, the Company and its stockholders, and that the Company’s existing stockholders will not suffer dilution as a result of the Transactions, (ii) approved and declared advisable the Merger Agreement, the BDC Election and the other Transactions, (iii) directed that the matters relating to the BDC Election and the adoption of the New BDC Advisory Agreement (the “Company BDC Election Matters”) and the matters relating to the Merger (the “Company Merger Matters”) be submitted to the Company’s stockholders at a meeting of the Company’s stockholders (the “Company Stockholders Meeting”), and (iv) resolved to recommend that the Company’s stockholders approve the Company BDC Election Matters and the Company Merger Matters at the Company Stockholders Meeting.

In connection with its evaluation of the Merger, the Company Special Committee received the opinion of Oppenheimer & Co. Inc., financial advisor to the Company Special Committee, to the effect that, as of the date of such opinion and based upon and subject to the various assumptions, limitations, qualifications and other matters set forth therein, the Exchange Ratio (defined herein) is fair, from a financial point of view, to the Company’s stockholders (other than the Company Manager, the Acquiror, the Acquiror Adviser and any of their respective affiliates).

Merger Consideration.

At the effective time of the Merger (the “Merger Effective Time”), each share of common stock, par value \$0.01 per share, of the Company (“Company Common Stock”) issued and outstanding immediately prior to the Merger Effective Time (other than shares owned by Acquiror or any of its consolidated subsidiaries, which will be cancelled for no consideration) will be converted into the right to receive a number of shares of common stock, par value \$0.01 per share, of Acquiror (“Acquiror Common Stock”) equal to the Exchange Ratio (defined herein) (the “Merger Consideration”).

The “Exchange Ratio” is the ratio of the net asset value per share of Company Common Stock (the “Closing Company Net Asset Value”) to the net asset value per share of Acquiror Common Stock (the “Acquiror Closing Net Asset Value”), each of which will be calculated in good faith as of a date no earlier than 48 hours (excluding Sundays and holidays) prior to the Merger Effective Time, based on the valuation principles, assumptions and methodologies set forth in Exhibit A to the Merger Agreement, and subject to customary approval and certification procedures.

Each holder of Company Common Stock that would otherwise be entitled to receive a fractional share of Acquiror Common Stock will receive, in lieu thereof, cash (without interest) based on the volume-weighted average trading price of Acquiror Common Stock on the Nasdaq Global Market (the "Nasdaq") for the five consecutive trading days ending on the third trading day preceding the Closing Date (as defined in the Merger Agreement).

Stockholder Approvals.

Consummation of the Transactions requires the affirmative vote of: (i) the lesser of (A) 67% of the shares of Company Common Stock present at a meeting at which more than 50% of the outstanding shares are present, or (B) more than 50% of the outstanding shares of Company Common Stock, to approve the BDC Election and the New BDC Advisory Agreement; and (ii) with respect to the adoption of the Merger Agreement and to approve the Company Merger Matters, the affirmative vote of (A) a majority of the outstanding shares of Company Common Stock and (B) a majority of the shares of Company Common Stock voted at the Company Stockholders Meeting other than shares held by Acquiror, the Acquiror Adviser, the Company Manager, any director or executive officer of any of the foregoing, any stockholder party to a Support Agreement (defined herein), and any of their respective affiliates, (together, the "Company Requisite Vote"). Consummation of the Transactions also requires the affirmative vote of: (i) a majority of the votes cast by the holders of outstanding shares of Acquiror Common Stock at a meeting of Acquiror's stockholders (the "Acquiror Stockholders Meeting") to approve the issuance of Acquiror Common Stock in connection with the Merger; and (ii) with respect to the adoption of the Merger Agreement and the approval of the Merger and the other Transactions, (X) a majority of the outstanding shares of Acquiror Common Stock and (Y) a majority of the shares of Acquiror Common Stock voted at the Acquiror Stockholders Meeting other than shares held by Acquiror, the Acquiror Adviser, the Company, the Company Manager, any director or executive officer of any of the foregoing, any stockholder party to a Support Agreement, and any of their respective affiliates (together, the "Acquiror Requisite Vote").

In addition to the Acquiror Requisite Vote and the Company Requisite Vote, consummation of the Merger requires the Company Board (on the recommendation of the Company Special Committee) to approve certain matters required by Rule 17a-8 under the Investment Company Act (the "Post-BDC Election Approvals"). Receipt of the Post-BDC Election Approvals is a condition to the Company's obligation to submit the Company Merger Matters to its stockholders at the Company Stockholders Meeting.

In accordance with the Maryland General Corporation Law, no appraisal rights are available to holders of Company Common Stock in connection with the Transactions.

Required Filings.

The Merger Agreement contemplates the filing with the SEC of the BDC Election on Form N-54A, and a registration statement on Form N-14 (the "Registration Statement"), which is a joint proxy statement/prospectus relating to the Company Stockholders Meeting and the Acquiror Stockholders Meeting (the "Joint Proxy Statement/Prospectus") that will be included as a prospectus, and the declaration of effectiveness of the Registration Statement by the SEC. The Merger Agreement also contemplates the filing of the articles of merger (the "Articles of Merger") with, and acceptance for record by, the State Department of Assessments and Taxation of Maryland, and filings and approvals under applicable state securities laws and the rules of Nasdaq, including in connection with approval of the listing of the shares of Acquiror Common Stock to be issued as Merger Consideration.

Representations and Warranties.

The Merger Agreement contains representations and warranties of the Company, Acquiror and the Advisers that are customary for transactions similar to the Merger, including representations regarding corporate organization, capitalization, authority, governmental consents, financial statements, compliance with law, absence of changes, taxes, litigation, material contracts, investment assets, and valuation matters specific to the BDC and REIT regulatory context. The representations and warranties do not survive the Merger Effective Time.

Covenants.

The Merger Agreement contains covenants requiring each of the Company and Acquiror, during the period from the date of the Merger Agreement until the earlier of the Merger Effective Time or termination of the Merger Agreement to (i) conduct its business in the ordinary course consistent with past practice and its publicly disclosed investment objectives and policies, and (ii) use reasonable best efforts to maintain and preserve its business organization and existing business relationships. The Merger Agreement also contains customary forbearances restricting certain actions without the prior written consent of the other party, including with respect to issuance of securities, declaration of dividends (subject to exceptions for regular quarterly distributions, distributions necessary to maintain RIC or REIT qualification, and Tax Dividends (as defined in the Merger Agreement)), dispositions and acquisitions of assets, amendments to organizational documents, incurrence of indebtedness, and entry into, amendment, or termination of material contracts.

The Merger Agreement also contains additional covenants of the parties, including covenants to use reasonable best efforts to obtain required regulatory and other approvals; to cooperate in the preparation and filing of the Registration Statement; to convene meetings of their respective stockholders; to provide indemnification and directors' and officers' liability insurance for the Company's directors and officers; and to cooperate on tax matters, including actions intended to preserve the qualification of the Merger as a "reorganization" within the meaning of Section 368(a) of the Code, the qualification of the Surviving Company as a RIC, and the Company's REIT qualification through the Merger Effective Time. Prior to the BDC Election Time, the Company is required to declare and pay one or more Tax Dividends in amounts sufficient to (i) eliminate the Company's accumulated earnings and profits for U.S. federal income tax purposes and (ii) reduce its REIT taxable income and net capital gain to zero for its final REIT taxable year.

No Solicitation; Fiduciary Out.

The Merger Agreement contains mutual non-solicitation provisions that restrict the ability of the Company and Acquiror, and their respective representatives, to, among other things, solicit, encourage, facilitate, or engage in discussions or negotiations regarding alternative acquisition proposals (each, a "Takeover Proposal"), or furnish non-public information in connection with Takeover Proposals, in each case, subject to the exceptions described below.

Each of the Company and Acquiror may engage in discussions or negotiations with, and provide non-public information to, a third party that has made a bona fide unsolicited Takeover Proposal if the applicable special committee determines in good faith, after consultation with its outside legal counsel and financial advisor, that (i) failure to consider such Takeover Proposal would be reasonably likely to be a breach of the directors' fiduciary duties under applicable law, and (ii) such Takeover Proposal constitutes or is reasonably likely to result in a Company Superior Proposal (as defined in the Merger Agreement) or an Acquiror Superior Proposal (as defined in the Merger Agreement), as applicable, subject in each case to notice and other procedural requirements set forth in the Merger Agreement.

Subject to compliance with notice, matching-rights and good-faith negotiation requirements set forth in the Merger Agreement (including a two-calendar-day matching-rights period, which restarts upon any amendment to the financial or other material terms of a superior proposal), the Company Board or the Acquiror Board (as defined in the Merger Agreement), as applicable, may effect an adverse recommendation change in response to a Company Superior Proposal or an Acquiror Superior Proposal. Each board may also effect an adverse recommendation change in response to an Intervening Event (as defined in the Merger Agreement), subject to a five-business-day notice and good-faith negotiation period. The Company and Acquiror may each terminate the Merger Agreement to enter into a definitive agreement with respect to a superior proposal.

Conditions to Closing.

Consummation of the Merger is subject to the satisfaction or waiver of a number of closing conditions, including: (i) receipt of the Acquiror Requisite Vote, the Company Requisite Vote and the Post-BDC Election Approvals; (ii) Nasdaq listing authorization for the shares of Acquiror Common Stock issuable as Merger Consideration; (iii) effectiveness of the Registration Statement; (iv) the absence of any order or law prohibiting the Merger and the absence of any pending governmental proceeding seeking to enjoin the Merger; (v) receipt of all required regulatory approvals; (vi) completion of the Closing Acquiror Net Asset Value and Closing Company Net Asset Value determinations; (vii) filing of the BDC Election with the SEC; (viii) satisfaction of specified conditions relating to the parties' existing credit facilities and the Company Notes (as defined in the Merger Agreement); (ix) the Support Agreements remaining in full force and effect; and (x) customary bring-down conditions with respect to the accuracy of the other party's (and its Adviser's) representations and warranties, performance of covenants, the absence of a Material Adverse Effect (as defined in the Merger Agreement), and receipt of a tax opinion that the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code, with Acquiror's obligation further conditioned on delivery by the Company of a FIRPTA certificate.

Termination and Fees.

The Merger Agreement may be terminated at any time prior to the Merger Effective Time by mutual written consent.

Either party may terminate the Merger Agreement if: (i) any governmental entity denies a required regulatory approval in a final and non-appealable decision, or issues a final order prohibiting the Merger; (ii) the Merger has not been consummated by June 30, 2027; (iii) the Acquiror stockholders fail to approve the matters submitted for their approval; or (iv) the Company Board fails to approve the Post-BDC Election Approvals or the Company stockholders fail to approve the Company BDC Election Matters or Company Merger Matters; provided that the terminating party has not materially breached its obligations in a manner causing the failure, in each case subject to customary limitations on a party's right to terminate where its breach has caused the failure.

The Company may terminate the Merger Agreement upon: (i) a breach by Acquiror of its representations, warranties, or covenants that would result in the failure of specified closing conditions, subject to a 30-day cure period; (ii) the occurrence of specified events relating to Acquiror's recommendation or non-solicitation obligations; or (iii) the Company Board's authorization, on the recommendation of the Company Special Committee, to enter into a definitive agreement with respect to a Company Superior Proposal.

Acquiror may terminate the Merger Agreement upon: (i) a breach by the Company of its representations, warranties, or covenants that would result in the failure of specified closing conditions, subject to a 30-day cure period; (ii) the occurrence of specified events relating to the Company's recommendation or non-solicitation obligations; or (iii) the Acquiror Board's authorization to enter into a definitive agreement with respect to an Acquiror Superior Proposal.

Except with respect to costs and expenses of printing and mailing the Registration Statement and all filing and other fees paid to the SEC in connection with the Merger, all fees and expenses incurred in connection with the BDC Election, Merger, and the Transactions shall be borne as follows: (i) one-half (1/2) of such fees shall be borne by the Acquiror and (ii) the remaining one-half (1/2) of such fees shall be borne by the Company, provided, however, that the Company Manager shall pay \$2,000,000 of the fees and expenses for which the Company is responsible on behalf of the Company. With respect to the payment of the costs and expenses of printing and mailing the Registration Statement and all filing and other fees payable to the SEC in connection with the Merger: (i) Acquiror shall be responsible to pay for the first \$200,000 of such fees and expenses; (ii) to the extent such fees and expenses exceed \$200,000, the Company shall be responsible for the next \$150,000; and (iii) to the extent that such fees and expenses exceed \$350,000, both Acquiror and the Company shall evenly split the payment of any and all remaining fees and expenses.

Share Repurchase Program.

The Merger Agreement provides that, from the date of the Merger Agreement until the Merger Effective Time, the Acquiror Board will consider in good faith the adoption of a share repurchase program of up to \$25 million to be implemented following the closing, on such terms and subject to such conditions as the Acquiror Board may determine to be advisable, taking into account then current market conditions and other matters the Acquiror Board determines to be relevant.

Specific Performance.

The parties have agreed that irreparable damage would occur in the event of a breach of the Merger Agreement and that monetary damages would not be an adequate remedy. Accordingly, the parties are entitled to injunctive relief and specific performance to enforce the terms of the Merger Agreement in any federal or state court located in the State of Maryland, without proof of actual damages and without the requirement of posting a bond.

Support Agreements

Concurrently with the execution of the Merger Agreement, (i) each of Acquiror Adviser, John Mazarakis, Scott Gordon, and Anthony Cappell, in his or its capacity as a stockholder of Acquiror, and (ii) each of John Mazarakis, Anthony Cappell, David Kite, Peter Sack, and Phil Silverman, in his capacity as a stockholder of the Company, entered into a support agreement with the Company and Acquiror (each a "Support Agreement"), pursuant to which, among other things, each agreed to vote his or its shares of Acquiror Common Stock and Company Common Stock in favor of the Acquiror Matters and the Company BDC Election Matters and Company Merger Matters, as applicable. The Support Agreements cover approximately 4.8% of the outstanding Company Common Stock and approximately 12.9% of the outstanding Acquiror Common Stock. The closing of the Merger is subject to the condition that the Support Agreements remain in full force and effect.

Director and Officer Consent and Limited Waiver

Concurrently with the execution of the Merger Agreement, each of the Company's directors and executive officers executed a Consent and Limited Waiver (the "Consent and Waiver"). Pursuant to the Consent and Waiver, effective immediately prior to the BDC Election, each director and executive officer of the Company waives any right to indemnification, exculpation, or expense reimbursement under the Company's charter, bylaws, or indemnification agreements solely to the extent prohibited by Section 17(h) of the Investment Company Act. All other indemnification, exculpation, and expense reimbursement rights of the Company's directors and executive officers remain in full force and effect.

The foregoing description is qualified in its entirety by reference to the form of Consent and Waiver, filed as Exhibit 10.3 hereto and incorporated herein by reference.

Other Material Terms

Following the Merger Effective Time, Acquiror will indemnify and hold harmless present and former directors and officers of the Company against costs and liabilities incurred in connection with proceedings arising out of actions or omissions occurring at or prior to the Merger Effective Time. The Company or the Surviving Company will obtain a seven-year "tail" directors' and officers' insurance policy with coverage not less than the Company's existing policy, subject to a customary cost cap.

The Surviving Company's articles of incorporation and bylaws will be the articles of incorporation and bylaws of Acquiror in effect immediately prior to the Merger Effective Time. The Surviving Company's board of directors as of the Merger Effective Time will include three independent directors continuing from the Company's existing board and two independent directors continuing from Acquiror's existing board, in addition to such other directors as may be designated in accordance with the Merger Agreement.

The Merger Agreement is governed by the laws of the State of Maryland.

The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Forward-Looking Statements

Some of the statements in this Current Report on Form 8-K constitute forward-looking statements because they relate to future events, future performance or financial condition of Acquiror, the Company or the Merger. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, to the extent applicable. Forward-looking statements may include statements as to: future operating results of the Surviving Company and distribution projections; business prospects of the Surviving Company and, to the extent applicable, the prospects of its portfolio companies; and the impact of the investments that the Surviving Company expects to make. In addition, words such as “may,” “might,” “will,” “intend,” “should,” “could,” “can,” “would,” “expect,” “believe,” “estimate,” “anticipate,” “predict,” “potential,” “plan” or similar words indicate forward-looking statements. The forward-looking statements contained in this Current Report on Form 8-K involve risks and uncertainties. Certain factors could cause actual results and conditions to differ materially from those projected, including the uncertainties associated with (i) the timing or likelihood of the Merger closing; (ii) the ability to realize the anticipated benefits of the Merger, including the risk that integration of the businesses of Acquiror and the Company may be more difficult, time-consuming or costly than expected, and the risk of unanticipated transaction costs, loss of key personnel, or adverse effects on existing business relationships; (iii) the percentage of Acquiror and the Company stockholders voting in favor of the proposals submitted for their approval; (iv) the possibility that competing offers or acquisition proposals will be made; (v) the possibility that any or all of the various conditions to the consummation of the Merger may not be satisfied or waived, including the risk that required regulatory approvals or non-objections, including effectiveness of the Registration Statement, SEC acceptance of the BDC Election, and Nasdaq listing authorization for the shares of Acquiror Common Stock to be issued in the Merger, may not be obtained on the contemplated timeline or at all; (vi) risks related to diverting management’s attention from ongoing business operations; (vii) the risk that stockholder litigation in connection with the Merger may result in significant costs of defense and liability; (viii) changes in the economy, financial markets, and political environment; (ix) future changes in laws or regulations, including with respect to the cannabis industry at the federal and state levels, federal enforcement policy, and any rescheduling or descheduling of cannabis under the Controlled Substances Act; (x) the risk that the Merger may not qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code; (xi) the risk that the surviving company may not qualify or maintain its qualification as a regulated investment company for U.S. federal income tax purposes; (xii) the risk that the Company may fail to maintain its qualification as a real estate investment trust through the effective time of the Merger; (xiii) the risk that the Company may be unable to complete the BDC Election on the contemplated timeline or at all; (xiv) the risk that the Exchange Ratio, which will be determined based on the closing net asset value of each of Acquiror and the Company calculated shortly prior to closing, may differ from current expectations or may not reflect changes in market conditions or portfolio values between signing and closing; (xv) the risk that the amount, timing or tax treatment of the Tax Dividends required to be paid by the Company prior to the BDC Election Time may differ from current expectations, or that the Company may lack sufficient liquidity to pay such dividends on the contemplated timeline; (xvi) the risk that the conversion of the Company from a REIT to a regulated investment company may give rise to corporate-level tax on built-in gains or other tax consequences that may differ from current expectations; (xvii) the risk that operating as a BDC under the Investment Company Act will subject the Surviving Company to regulatory limitations, including with respect to leverage and affiliate transactions, that may adversely affect operating results or investment strategy; (xviii) the risk that the share repurchase program of up to \$25.0 million that the Acquiror Board of Directors has agreed to consider in good faith following the Closing may not be adopted, or, if adopted, may differ in size, scope, timing, or terms from current expectations; and (xix) other considerations that may be disclosed from time to time in publicly available documents filed by Acquiror and the Company with the SEC. Acquiror and the Company undertake no duty to update any forward-looking statements made herein.

No Offer or Solicitation

This Current Report on Form 8-K is not intended to and shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act, or in a transaction exempt from the registration requirements of the Securities Act.

ARTICLE I

The term "BDC Election Time" shall be the date and time when the BDC Election has been accepted for filing by the SEC.

1.2 The Merger. Subject to the terms and conditions of this Agreement, in accordance with the Maryland General Corporation Law (the "MGCL"), and following receipt of the Post-BDC Election Approvals, at the Merger Effective Time, the Company shall merge with and into the Acquiror, the separate corporate existence of the Company shall cease, and the Acquiror shall be the surviving company in the Merger and shall continue its existence as a corporation under the Laws of the State of Maryland.

1.3 Closing. On the terms and subject to the conditions set forth in this Agreement, the closing of the Merger (the "Closing") shall take place at 10:00 a.m., Eastern Time, via the electronic exchange of documents and executed signature pages, on the date that is five (5) Business Days after the satisfaction or waiver of the latest to occur of the conditions set forth in Article VIII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), unless otherwise agreed in writing by the parties to this Agreement (the "Closing Date").

1.4 Merger Effective Time. The Merger shall become effective as set forth in the articles of merger (the "Articles of Merger") that the Acquiror shall file with the State Department of Assessments and Taxation for the State of Maryland ("SDAT") on the Closing Date. The term "Merger Effective Time" shall be the date and time when the Merger becomes effective as set forth in the Articles of Merger. For the avoidance of doubt, in no event shall the Merger Effective Time be earlier than the BDC Election Time.

1.5 Effects of the Merger. At and after the Merger Effective Time, the Merger shall have the effects set forth in the MGCL.

1.6 Conversion of Capital Stock. At the Merger Effective Time, by virtue of the Merger and without any action on the part of Acquiror or the Company or the holder of any of the following securities:

(a) All shares of common stock, par value \$0.01 per share, of the Company (the “Company Common Stock”) issued and outstanding immediately prior to the Merger Effective Time that are owned by Acquiror or any of its Consolidated Subsidiaries shall be cancelled and shall cease to exist, and no shares of common stock, par value \$0.01 per share, of Acquiror (the “Acquiror Common Stock”) or any other consideration shall be delivered in exchange therefor (such shares, the “Cancelled Shares”).

(b) Subject to Section 1.6(d), each share of Company Common Stock issued and outstanding immediately prior to the Merger Effective Time, except for the Cancelled Shares but including the net number of shares of Company Restricted Shares that vest immediately prior to the Merger Effective Time in accordance with Section 1.6(e), shall be converted, in accordance with the procedures set forth in Article II, into the right to receive a number of shares of Acquiror Common Stock equal to the Exchange Ratio (the “Merger Consideration”).

(c) All of the shares of Company Common Stock converted into the right to receive the Merger Consideration pursuant to this Article I shall no longer be outstanding and shall automatically be cancelled and shall cease to exist as of the Merger Effective Time, and each such share of Company Common Stock, all of which are in non-certificated book-entry form, shall thereafter represent only the right to receive the Merger Consideration, cash in lieu of fractional shares into which such shares of Company Common Stock have been converted pursuant to Section 2.2 and any dividends or other distributions payable pursuant to Section 2.4(b).

(d) The Exchange Ratio shall be appropriately adjusted (to the extent not already taken into account in determining the Closing Acquiror Net Asset Value and/or the Closing Company Net Asset Value, as applicable) if, between the Determination Date and the Merger Effective Time, (i) either the Company or Acquiror declares or pays an extraordinary dividend, or (ii) the respective outstanding shares of Company Common Stock or Acquiror Common Stock shall have been increased or decreased or changed into or exchanged for a different number or kind of shares or securities as a result of any reclassification, recapitalization, stock split, reverse stock split, split-up, combination or exchange of shares, or if a stock dividend or dividend payable in any other securities shall be authorized and declared with a record date within such period, other than shares issued pursuant to Acquiror’s dividend reinvestment plan, as permitted by this Agreement. Nothing in this Section 1.6(d) shall be construed to permit any party hereto to take any action that is otherwise prohibited or restricted by any other provision of this Agreement.

(e) Immediately prior to the BDC Election Time, (i) any vesting conditions applicable to each outstanding share of Company Restricted Shares shall, automatically and without any required action on the part of the holder thereof, accelerate in full and thereafter participate in the Merger along with the other shares of Company Common Stock; provided, however, that a number of shares of Company Restricted Shares having a value equal to the Taxes required to be withheld with respect to such vesting may be forfeited in which case the Company or the Surviving Company shall cause the corresponding payment.

(f) Each share of Acquiror Common Stock outstanding immediately prior to the Merger Effective Time shall remain outstanding as a share of Acquiror Common Stock.

1.7 Termination of Certain Contractual Obligations. At the BDC Election Time, the Company Management Agreement shall be automatically terminated without the need for any termination notice or termination payment and such agreements shall be of no further force and effect, except any obligations or requirements (other than with respect to termination notice or termination payment) that by their terms are intended to survive the termination of such agreements. At the Merger Effective Time, the New BDC Advisory Agreement shall be automatically terminated without the need for any termination notice or termination payment and such agreements shall be of no further force and effect, except any obligations or requirements that by their terms are intended to survive the termination of such agreements.

1.8 Articles of Incorporation and Bylaws. The Acquiror Charter as in effect immediately prior to the Merger Effective Time shall be the articles of incorporation of the Surviving Company as of the Merger Effective Time, and the bylaws of the Acquiror as in effect immediately prior to the Merger Effective Time shall be the bylaws of the Surviving Company as of the Merger Effective Time, in each case until thereafter amended in accordance with applicable Law and the respective terms of such articles of incorporation and bylaws, as applicable.

1.9 Directors and Officers. Subject to applicable Law, the directors and officers of the Surviving Company as of the Merger Effective Time shall be the directors and officers set forth on Schedule 1.9, each of which shall hold office until their respective successors are duly elected and qualify, or their earlier death, resignation or removal.

ARTICLE II

MERGER CONSIDERATION

2.1 Delivery of Evidence of Acquiror Common Stock. As soon as reasonably practicable after the Merger Effective Time, Acquiror shall issue and deposit with its transfer agent evidence of book-entry shares representing Acquiror Common Stock issuable as Merger Consideration pursuant to Section 1.6(b).

2.2 Fractional Shares. Each holder of Company Common Stock converted pursuant to the Merger that would otherwise have been entitled to receive a fraction of a share of Acquiror Common Stock pursuant to Section 1.6(b) shall receive, in lieu thereof, cash (without interest) in an amount equal to the product of (i) such fractional part of a share of Acquiror Common Stock multiplied by (ii) the volume-weighted average trading price of a share of Acquiror Common Stock on the NASDAQ Global Market (“NASDAQ”) for the five (5) consecutive Trading Days ending on the third (3rd) Trading Day preceding the Closing Date (as reported by Bloomberg L.P. or its successor or, if not reported thereon, another authoritative source selected by Acquiror that is reasonably acceptable to the Company). For purposes of this Section 2.2, all fractional shares to which a single record holder would be entitled shall be aggregated and calculations shall be rounded to three decimal places.

2.3 Paying and Exchange Agent. Prior to the Merger Effective Time, Acquiror shall appoint Acquiror’s transfer agent or other bank or trust company to act as exchange agent (the “Paying and Exchange Agent”) hereunder, pursuant to an agreement in a form reasonably acceptable to each of Acquiror and the Company. Following the Merger Effective Time, Acquiror shall deposit, or shall cause to be deposited, with the Paying and Exchange Agent cash sufficient to pay the aggregate cash for fractional shares in accordance with Section 2.2. Any cash deposited with the Paying and Exchange Agent shall hereinafter be referred to as the “Exchange Fund.”

2.4 Delivery of Merger Consideration.

(a) Each holder of record of shares of Company Common Stock (other than the Cancelled Shares) that were converted into the right to receive the Merger Consideration pursuant to Section 1.6(b) and any cash in lieu of fractional shares of Acquiror Common Stock to be issued or paid in consideration therefor pursuant to Section 2.2 and any dividends and other distributions pursuant to Section 2.4(b), shall be entitled to receive, as soon as reasonably practicable after the Merger Effective Time, the Merger Consideration and any cash in lieu of fractional shares of Acquiror Common Stock to be issued or paid in consideration therefor pursuant to Section 2.2 and, after the applicable payment date, any dividends or other distributions to which such holder is entitled pursuant to Section 2.4(b). The Exchange Fund shall not be used for any other purpose other than the purposes provided for in the immediately preceding sentence.

(b) Subject to the effect of applicable abandoned property, escheat or similar Laws, following the Merger Effective Time, the record holder of shares (other than Cancelled Shares) of Company Common Stock at the Merger Effective Time shall be entitled to receive, without interest, (i) the amount of dividends or other distributions with a record date after the Merger Effective Time theretofore payable with respect to the whole shares of Acquiror Common Stock represented by such shares of Company Common Stock and not paid and/or (ii) at the appropriate payment date, the amount of dividends or other distributions payable with respect to the whole shares of Acquiror Common Stock represented by such shares of Company Common Stock with a record date after the Merger Effective Time (but before the issuance of Acquiror Common Stock issuable with respect to such shares of Company Common Stock) and with a payment date subsequent to the issuance of Acquiror Common Stock issuable with respect to such shares of Company Common Stock.

2.5 No Further Ownership Rights. All Merger Consideration paid by Acquiror in accordance with the terms of Article I and Article II shall be deemed to have been paid in full satisfaction of all rights pertaining to Company Common Stock in respect of which such Merger Consideration was paid. From and after the Merger Effective Time, the stock transfer books of the Company shall be closed, and there shall be no further transfers on the stock transfer books of the Company of the shares of Company Common Stock that were issued and outstanding immediately prior to the Merger Effective Time.

2.6 Net Asset Value Calculation

(a) Acquiror shall deliver to the Company a calculation of the net asset value per share of Acquiror Common Stock as of a date mutually agreed between the Company and Acquiror, such date to be no earlier than 48 hours (excluding Sundays and holidays) prior to the Merger Effective Time (such agreed date, the "Determination Date"), calculated in good faith as of such date and based on the valuation principles, assumptions and methodologies, and applying the categories of adjustments to net asset value, as set forth on Exhibit A (the "Closing Acquiror Net Asset Value"); provided that Acquiror shall update the calculation of the Closing Acquiror Net Asset Value in the event the Closing is subsequently delayed or that there is more than a de minimis change to the Closing Acquiror Net Asset Value prior to the Closing and as needed to ensure the Closing Acquiror Net Asset Value is determined within 48 hours (excluding Sundays and holidays) prior to the Merger Effective Time; provided further that the Acquiror Board, including the Acquiror Special Committee, shall be required to approve, and the Acquiror Adviser shall certify in writing to the Company the calculation of the Closing Acquiror Net Asset Value.

(b) The Company shall deliver to Acquiror a calculation of the net asset value per share of Company Common Stock as of the Determination Date, calculated in good faith as of such date and based on the valuation principles, assumptions and methodologies, and applying the categories of adjustments to net asset value, as set forth on Exhibit A (the "Closing Company Net Asset Value"); provided that the Company shall update the calculation of the Closing Company Net Asset Value in the event the Closing is subsequently delayed or that there is more than a de minimis change to the Closing Company Net Asset Value prior to the Closing and as needed to ensure the Closing Company Net Asset Value is determined within 48 hours (excluding Sundays and holidays) prior to the Merger Effective Time; provided further that the Company Board, including the Company Special Committee, shall be required to approve, and the Company Manager shall certify in writing to Acquiror, the calculation of the Closing Company Net Asset Value.

(c) Each Adviser agrees to give each of the Company and Acquiror and its respective Representatives, upon reasonable request, reasonable access to the individuals who have prepared each calculation provided pursuant to this Section 2.6 and to the information, books, records, work papers and back-up materials used or useful in preparing each such calculation, including without limitation any reports prepared by valuation agents, in order to assist such party with its review of such calculation.

2.7 Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to former stockholders of the Company as of the first anniversary of the Merger Effective Time may be paid to Acquiror, upon Acquiror's written demand to the Paying and Exchange Agent. In such event, any former stockholders of the Company who have not theretofore complied with any applicable requirements to receive cash in lieu of fractional shares of Acquiror Common Stock shall thereafter look only to Acquiror with respect to such cash in lieu of fractional shares, without any interest thereon. Notwithstanding the foregoing, none of the Company, Acquiror, the Surviving Company, the Paying and Exchange Agent or any other Person shall be liable to any former holder of shares of Company Common Stock for any amount delivered in good faith pursuant to applicable abandoned property, escheat or similar Laws.

2.8 Withholding Rights. Acquiror or the Paying and Exchange Agent, as applicable, shall be entitled to deduct and withhold from amounts payable pursuant to this Agreement to any holder of Company Common Stock such amounts as are required to be deducted and withheld under the Code, or under any provision of state, local or foreign Tax Law; provided, the entity deducting or withholding such amount shall use reasonable best efforts to (i) provide advance written notice at least ten (10) Business Days prior in writing to such deduction or withholding and (ii) cooperate with such Person to reduce or eliminate any such deduction or withholding (including by providing such Person with an opportunity to provide any forms, certificates, or other documentation that would reduce or eliminate such deduction or withholding). To the extent that amounts are so withheld and paid over to the appropriate Governmental Entity, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the recipient.

2.9 Tax Consequences. It is intended that the Merger shall constitute a "reorganization" within the meaning of Section 368(a) of the Code, and that this Agreement shall constitute a "plan of reorganization" for purposes of Sections 354, 361 and 368 of the Code and Income Tax Regulations section 1.368-2(g) and 1.368-3(a). The parties will report consistently with such intention, and no party will take a reporting position that is inconsistent with that intention, unless otherwise required by applicable Law or an applicable Governmental Entity in connection with any tax audit or other tax contest. None of the parties to this Agreement makes any representation that the Merger will so qualify.

(f) Neither Acquiror nor any of its Consolidated Subsidiaries has participated in a “listed transaction” within the meaning of Treasury Regulation Section 1.6011-4(b)(2). If Acquiror or any of its Consolidated Subsidiaries has participated in a “reportable transaction” within the meaning of Treasury Regulation Section 1.6011-4(b), such entity has properly disclosed such transaction in accordance with the applicable Tax regulations.

(g) Acquiror: (i) made a valid election under Part I of Subchapter M of Subtitle A, Chapter 1, of the Code to be taxed as a RIC, and at all times since the beginning of its taxable year ended March 31, 2022, and through and including its taxable year ended March 31, 2026, has been subject to taxation as a RIC and has satisfied all requirements to qualify as a RIC in such years; (ii) at all times has been organized and has operated in a manner consistent with the requirements for qualification and taxation as a RIC; (iii) intends to continue to be organized and to operate in such a manner as to qualify as a RIC for its taxable year that will include the Merger Effective Time and thereafter; and (iv) has not taken or to its knowledge omitted to take any action that could reasonably be expected to result in a successful challenge by the IRS or any other Governmental Entity with respect to its qualification as a RIC, and to its knowledge is not subject to any pending challenges by, and has not received any written communications from, the IRS or any other Governmental Entity with respect to its qualification as a RIC. Acquiror has no Consolidated Subsidiaries that are classified as RICs. Based on the information made available to Acquiror by the Company regarding the Company’s assets and income as of the date of this Agreement, Acquiror has no reason to believe that the Surviving Company will not satisfy the requirements for qualification as a RIC for its taxable year that includes the Merger Effective Time and thereafter.

(h) Each of Acquiror’s Consolidated Subsidiaries has been since the later of its acquisition or formation and continues to be treated for U.S. federal and state income Tax purposes as (i) a partnership or a disregarded entity (and not as a corporation or an association or publicly traded partnership taxable as a corporation) or (ii) a RIC.

(i) For each taxable year since Acquiror’s election to be treated as a RIC, Acquiror has satisfied the 90% gross income test set forth in Section 851(b)(2) of the Code.

(j) At the close of each quarter of each taxable year since Acquiror's election to be treated as a RIC, Acquiror has satisfied the asset diversification requirements set forth in Section 851(b)(3) of the Code, including (i) the requirement that at least 50% of the value of Acquiror's total assets be represented by cash and cash items, government securities, securities of other RICs, and other securities limited in respect of any one issuer to an amount not greater than 5% of the value of Acquiror's total assets and to not more than 10% of the outstanding voting securities of such issuer, and (ii) the requirement that not more than 25% of the value of Acquiror's total assets be invested in (x) the securities (other than government securities or securities of other RICs) of any one issuer, (y) the securities (other than securities of other RICs) of two or more issuers controlled by Acquiror and engaged in the same or similar trades or businesses or related trades or businesses, or (z) the securities of one or more qualified publicly traded partnerships, in each case, taking into account the provisions of Section 851(d) of the Code.

(k) For each taxable year since Acquiror's election to be treated as a RIC, Acquiror has distributed dividends in an amount sufficient to satisfy the distribution requirements of Section 852(a)(1) of the Code.

(l) Acquiror and its Consolidated Subsidiaries have complied in all material respects with all applicable Laws relating to the payment and withholding of Taxes and have, within the time and in the manner prescribed by applicable Law, in all material respects, withheld from and paid over all amounts required to be so withheld and paid over under applicable Laws.

(m) Acquiror is not aware of any fact or circumstance that could reasonably be expected to prevent the Merger from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code.

(n) Acquiror has no "earnings and profits" for U.S. federal income Tax purposes described in Section 852(a)(2)(B) of the Code.

(o) Acquiror is not now and will not be subject to corporate-level income taxation on the sale, transfer or other disposition of its assets currently held as a result of the application of Section 337(d) of the Code or the Treasury Regulations promulgated thereunder.

(p) No claim has been made in writing by a taxing authority in a jurisdiction where Acquiror or any of its Consolidated Subsidiaries does not file Tax Returns that Acquiror or any such Consolidated Subsidiary is or may be subject to taxation by that jurisdiction, and which, if upheld, would reasonably result in a material Tax liability.

(q) Neither the Acquiror nor any of its Consolidated Subsidiaries has, or has ever had, a permanent establishment in any country other than the United States.

(r) Neither Acquiror nor any of its Consolidated Subsidiaries has requested a private letter ruling from the IRS or comparable rulings from other taxing authorities.

(s) Neither Acquiror nor any of its Consolidated Subsidiaries has any liability for the Taxes of another Person other than Acquiror and its Consolidated Subsidiaries under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign Law), as a transferee, successor or payable pursuant to a contractual obligation.

(t) Neither Acquiror nor any of its Consolidated Subsidiaries has ever been a member of a consolidated, combined or unitary Tax group (other than such a group the common parent of which is Acquiror or any of its Consolidated Subsidiaries).

(u) There are no material Liens for Taxes (other than Taxes not yet due and payable) upon any of the assets of Acquiror or any of its Consolidated Subsidiaries.

4.12 Litigation. There are no material Proceedings pending or, to Acquiror's knowledge, threatened against Acquiror or any of its Consolidated Subsidiaries. There is no Order binding upon Acquiror or any of its Consolidated Subsidiaries other than such Orders as would not, individually or in the aggregate, reasonably be expected to be material to Acquiror and its Consolidated Subsidiaries, taken as a whole.

4.13 Employee Matters. Neither Acquiror nor any of its Consolidated Subsidiaries has (i) any employees or (ii) any Employee Benefit Plans.

4.14 Certain Contracts.

(a) Acquiror has Previously Disclosed a complete and accurate list of, and true and complete copies have been delivered or made available (including via EDGAR) to the Company of, all Contracts (collectively, the "Acquiror Material Contracts") to which, as of the date hereof, Acquiror or any of its Consolidated Subsidiaries is a party, or by which Acquiror or any of its Consolidated Subsidiaries may be bound, or, to the knowledge of Acquiror, to which it or any of its Consolidated Subsidiaries or their respective assets or properties may be subject, with respect to:

(i) any Contract that is a "material contract" within the meaning of Item 601(b)(10) of the SEC's Regulation S-K or that is material to Acquiror or its financial condition or results of operations;

(ii) any loans or credit agreements, mortgages, indentures and other agreements and instruments pursuant to which any Indebtedness of Acquiror or any of its Consolidated Subsidiaries in an aggregate principal amount in excess of \$500,000 is outstanding or may be incurred, or any guarantee by Acquiror or any of its Consolidated Subsidiaries of any Indebtedness in an aggregate principal amount in excess of \$500,000;

(iii) any Contract that creates future payment obligations in excess of \$250,000 and that by its terms does not terminate, or is not terminable upon notice, without penalty within 90 days or less, or any Contract that creates or would create a Lien on any asset of Acquiror or its Consolidated Subsidiaries (other than Liens consisting of restrictions on transfer agreed to in respect of investments entered into in the ordinary course of business or as would not, individually or in the aggregate, reasonably be expected to be material to Acquiror and its Consolidated Subsidiaries, taken as a whole);

(iv) except with respect to investments set forth in the Acquiror SEC Reports, any partnership, limited liability company, joint venture or other similar Contract that is not entered into in the ordinary course of business and is material to Acquiror and its Consolidated Subsidiaries, taken as a whole;

(v) any non-competition or non-solicitation Contract or any other Contract that limits, purports to limit, or would reasonably be expected to limit in each case in any material respect the manner in which, or the localities in which, any material business of Acquiror and its Consolidated Subsidiaries, taken as a whole, is or could be conducted or the types of business that Acquiror and its Consolidated Subsidiaries conducts or may conduct;

(vi) any Contract relating to the acquisition or disposition of any business or operations (whether by merger, sale of stock, sale of assets or otherwise) involving value in excess of \$250,000 (individually or together with all related Contracts) as to which there are any ongoing obligations or that was entered into on or after the Applicable Date other than Contracts entered into in the ordinary course of business with respect to investments set forth in the Acquiror SEC Reports;

(vii) any Contract that obligates Acquiror or any of its Consolidated Subsidiaries to conduct any business that is material to Acquiror and its Consolidated Subsidiaries, taken as a whole, on an exclusive basis with any third party; or

(viii) any Contract with a Governmental Entity.

(b) Each Acquiror Material Contract is (x) valid and binding on Acquiror or its applicable Consolidated Subsidiary and, to Acquiror's knowledge, each other party thereto, (y) enforceable in accordance with its terms (subject to the Bankruptcy and Equity Exception), and (z) is in full force and effect other than in each case as would not, individually or in the aggregate, reasonably be expected to be material to Acquiror and its Consolidated Subsidiaries, taken as a whole. The investment management agreement between Acquiror and the Acquiror Adviser in effect as of the date of this Agreement has been approved by the Acquiror Board and stockholders of Acquiror in accordance with Section 15 of the Investment Company Act. Neither Acquiror nor any of its Consolidated Subsidiaries nor, to Acquiror's knowledge, any other party thereto, is in material breach of any provisions of or in default (or, with the giving of notice or lapse of time or both, would be in default) under, and has not taken any action resulting in the termination of, acceleration of performance required by, or resulting in a right of termination or acceleration under, any Acquiror Material Contract other than as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect with respect to Acquiror. No Acquiror Material Contract has been amended, modified or supplemented other than as would not, individually or in the aggregate, reasonably be expected to be material to Acquiror and its Consolidated Subsidiaries, taken as a whole. No event has occurred with respect to Acquiror or any of its Consolidated Subsidiaries that, with or without the giving of notice, the lapse of time or both, would constitute a breach or default under any Acquiror Material Contract other than as would not, individually or in the aggregate, reasonably be expected to be material to Acquiror and its Consolidated Subsidiaries, taken as a whole.

4.15 Insurance Coverage. All material insurance policies maintained by Acquiror or any of its Consolidated Subsidiaries and that name Acquiror or any of its Consolidated Subsidiaries as an insured (each, a "Acquiror Insurance Policy"), including the fidelity bond required by the Investment Company Act, are in full force and effect and all premiums due and payable with respect to each Acquiror Insurance Policy have been paid. Neither Acquiror nor any of its Consolidated Subsidiaries has received written notice of cancellation of any Acquiror Insurance Policy.

4.16 Intellectual Property. Acquiror and its Consolidated Subsidiaries own, possess or have a valid license or other adequate rights to use all Intellectual Property Rights that are material to the conduct of the business of Acquiror and its Consolidated Subsidiaries taken as a whole (hereinafter, "Acquiror Intellectual Property Rights"), except where the failure to own, possess or have adequate rights would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect with respect to Acquiror. No claims are pending for which Acquiror has received written notice or, to the knowledge of Acquiror, threatened (i) that Acquiror or any of its Consolidated Subsidiaries is infringing or otherwise violating the rights of any Person with regard to any Intellectual Property Right, or (ii) that any Acquiror Intellectual Property Right is invalid or unenforceable. To the knowledge of Acquiror, no Person is infringing, misappropriating or using without authorization the rights of Acquiror or any of its Consolidated Subsidiaries with respect to any Intellectual Property Right, except as would not, individually or in the aggregate, reasonably be expected to be material to Acquiror and its Consolidated Subsidiaries, taken as a whole.

4.17 Environmental Matters. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect with respect to Acquiror:

(a) there are no Proceedings of any kind, pending or, to the knowledge of Acquiror, threatened, against Acquiror or any of its Consolidated Subsidiaries, arising under any Environmental Law;

(b) there are no Orders by or with any Governmental Entity, imposing any liability or obligation on Acquiror or any of its Consolidated Subsidiaries under or in respect of any Environmental Law; and

(c) there are and have been no Hazardous Substances or other conditions related thereto at any property owned or premises leased by Acquiror or any of its Consolidated Subsidiaries during the period of Acquiror's or its Consolidated Subsidiary's ownership or lease.

(d) To the Acquiror's knowledge, none of Acquiror nor any of its Consolidated Subsidiaries has entered into any Contract to provide indemnification to any third party pursuant to Environmental Laws in relation to any property previously owned by Acquiror or any of its Consolidated Subsidiaries.

4.18 Real Property. Neither Acquiror nor any of its Consolidated Subsidiaries owns or leases any real property.

4.19 Investment Assets. Each of Acquiror and its Consolidated Subsidiaries has good title to all securities, Indebtedness and other financial instruments owned by it, free and clear of any material Liens, except to the extent such securities, Indebtedness or other financial instruments, as applicable, are pledged to secure obligations of Acquiror or its Consolidated Subsidiaries under the credit facilities which have been Previously Disclosed and except for Liens consisting of restrictions on transfer agreed to in respect of investments entered into in the ordinary course of business and, if material, Previously Disclosed. As of the date of this Agreement, the value of investments owned by Acquiror that are “qualifying investments” for purposes of Section 55(a) of the Investment Company Act is greater than 70% of the value of Acquiror’s total assets (other than assets described in Section 55(a)(7) of the Investment Company Act). Acquiror has at all times made available significant managerial assistance, as defined in Section 2(a)(47) of the Investment Company Act, to the issuers of securities of eligible portfolio companies in which the Acquiror has made qualifying investments.

4.20 State Takeover Laws. No restrictions on “business combinations” set forth in any Takeover Statutes are applicable to this Agreement, the Merger or the other Transactions.

4.21 Valuation. The value of each investment asset owned by Acquiror that is used in connection with the computations made by Acquiror pursuant to Section 2.6 will be determined in accordance with the valuation principles, assumptions and methodologies, and applying the categories of adjustments to net asset value, applicable to Acquiror as set forth on Exhibit A, and no exceptions to such valuation policies and procedures have been or will be permitted in valuing such assets in connection with the computations pursuant to Section 2.6 for purposes of this Agreement. All third party valuations shall have been conducted by Stout Risius Ross, LLC.

4.22 Opinion of Financial Advisor. Prior to the execution of this Agreement, the Acquiror Special Committee has received the opinion of Keefe, Bruyette & Woods, Inc., financial advisor to the Acquiror Special Committee, to the effect that, as of the date of such opinion and based upon and subject to the various assumptions, limitations, qualifications and other matters set forth therein, the Exchange Ratio is fair, from a financial point of view, to Acquiror.

5.2 Authority; No Violation.

(a) Adviser has all requisite power and authority to execute and deliver this Agreement. (b) Neither the execution and delivery of this Agreement by Adviser, nor the consummation of the Transactions, nor performance of this Agreement by Adviser, will (i) violate any provision of the organizational documents of the Adviser or (ii) (A) violate any Law or Order applicable to Adviser or (B) violate, conflict with, result in a breach of or the loss of any benefit under, constitute a default (or an event that, with or without the giving of notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by, require the consent, approval or authorization of, or notice to or filing with any third-party with respect to, or result in the creation of any Lien upon any of the respective properties or assets of Adviser under, any of the terms, conditions or provisions of any Permit, Contract or other obligation to which Adviser is a party or by which its properties or assets is bound except, with respect to clause (ii), any such violation, conflict, breach, loss, default, termination, cancellation, acceleration, consent, approval or creation that would not, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company.

(c) No consents or approvals of, or filings or registrations with, any Governmental Entity are necessary in connection with the execution, delivery or performance of this Agreement by Adviser, except for any such consents, approvals, filings or registrations that the failure to obtain or make would not, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company.

5.3 Compliance with Applicable Law; Permits. Except as otherwise set forth on Section 5.3 of the Acquiror Adviser Disclosure Schedule or the Company Manager Disclosure Schedule, as applicable,

(b) Adviser is in compliance, and has been operated in compliance, in all material respects, with all applicable Laws with regard to its management of each of Acquiror or the Company, including, if and to the extent applicable, the Investment Advisers Act, the Investment Company Act, the Securities Act and the Exchange Act other than as would not, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company. Adviser has not received any written or, to Adviser's knowledge, oral notification from a Governmental Entity of any material non-compliance with any applicable Laws with regard to its management of each of Acquiror and the Company, which non-compliance would, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company.

(c) Adviser holds and is in compliance with all Permits required in order to permit Adviser to own or lease its properties and assets and to conduct its business under and pursuant to all applicable Law as presently conducted, other than any failure to hold or non-compliance with any such Permit that would not, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company. All such Permits are valid and in full force and effect, except as would not, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company. Adviser has not received any written or, to Adviser's knowledge, oral notification from a Governmental Entity of any material non-compliance with any such Permits, and no Proceeding is pending or threatened in writing to suspend, cancel, modify, revoke or materially limit any such Permits, which Proceeding would, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company.

(d) Acquiror Adviser has implemented written policies and procedures as required by Rule 206(4)-7 under the Investment Advisers Act (complete and correct copies of which have been made available to Acquiror) and, during the period prior to the date of this Agreement that Adviser has been the investment adviser to the Acquiror, Acquiror Adviser has been in compliance with such policies and procedures with regard to its management of Acquiror, except where the failures to adopt such policies and procedures or to be in compliance would not, individually or in the aggregate, be material to the Acquiror and its Consolidated Subsidiaries, taken as a whole.

(e) During the period prior to the date of this Agreement that it has been the adviser to the Company or Acquiror, there has been no material adverse change in the operations, affairs or regulatory status of Adviser.

There is no Order binding upon Adviser other than such Orders as would not, individually or in the aggregate, reasonably be expected to prevent Adviser from timely performing its material obligations under this Agreement or from consummating the Merger and the other Transactions or have a Material Adverse Effect with respect to Acquiror or the Company.

5.5 Valuation. The value of each investment asset owned by Acquiror or the Company that is used in connection with the computations made by Adviser on behalf of the Acquiror or the Company pursuant to Section 2.6 will be determined in accordance with the valuation principles, assumptions and methodologies, and applying the categories of adjustments to net asset value, applicable to Acquiror or the Company, as the case may be, as set forth on Exhibit A, and no exceptions to such valuation policies and procedures have been or will be permitted in valuing such assets in connection with the computations pursuant to Section 2.6 for purposes of this Agreement. The value of all assets owned by Acquiror other than investment assets that are used in connection with the computations made by Acquiror pursuant to Section 2.6 will be determined in accordance with GAAP. (o) Other than in the ordinary course of business consistent with past practice and such party's investment objectives, terminate, cancel, renew or agree to any material amendment of, change in or waiver under any Company Material Contract or Acquiror Material Contract.

(p) Settle any Proceeding against it, except for Proceedings that (i) are settled in the ordinary course of business consistent with past practice and such party's investment objectives, in an amount not in excess of \$250,000 in the aggregate (after reduction by any insurance proceeds actually received); (ii) would not impose any material restriction on the conduct of business of it or any of its Consolidated Subsidiaries or, after the Merger Effective Time, Acquiror, the Company, the Surviving Company or any of their Consolidated Subsidiaries and (iii) would not admit liability, guilt or fault.

(q) Other than in the ordinary course of business and consistent with such party's investment objectives, (i) pay, discharge or satisfy any Indebtedness for borrowed money, other than the payment, discharge or satisfaction required pursuant to the terms of outstanding debt of such party or its Consolidated Subsidiaries as in effect as of the date of this Agreement or other Permitted Indebtedness or (ii) cancel any material Indebtedness.

(r) Except as otherwise expressly contemplated by this Agreement, merge or consolidate such party or any of its Consolidated Subsidiaries with any Person or enter into any other similar extraordinary corporate transaction with any Person, or adopt, recommend, propose or announce an intention to adopt a plan of complete or partial liquidation, dissolution, restructuring, recapitalization or other reorganization of such party or any of its Consolidated Subsidiaries.

(s) Agree to take, make any commitment to take, or adopt any resolutions of the Company Board or the Acquiror Board, as applicable, authorizing, any of the actions prohibited by this Section 6.2.

ARTICLE VII

ADDITIONAL AGREEMENTS

7.1 Reasonable Best Efforts.

(a) Subject to the right of Acquiror to take any action that constitutes an Acquiror Adverse Recommendation Change as expressly permitted pursuant to Section 7.7, and the right of the Company to take any action that constitutes a Company Adverse Recommendation Change as expressly permitted pursuant to Section 7.8, the parties shall cooperate with each other and use reasonable best efforts to take, or cause to be taken, in good faith, all actions, and to do, or cause to be done, all things necessary, including to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all Permits of all Governmental Entities and all permits, consents, approvals, confirmations and authorizations of all third parties, in each case, that are necessary or advisable, to consummate the Transactions (including the BDC Election and the Merger) in the most expeditious manner practicable, and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such third parties and Governmental Entities.

(b) In furtherance (but not in limitation) of the foregoing, each of the Company and Acquiror shall as promptly as practicable file any required applications, notices or other filings with any applicable third-party or Governmental Entity in connection with the Transactions. Subject to applicable Law, Acquiror and the Company shall have the right to review in advance, and, to the extent practicable, each shall consult the other on all the information relating to Acquiror or the Company, as the case may be, and any of their respective Consolidated Subsidiaries, that appear in any filing made with, or written materials submitted to, any third-party or any Governmental Entity in connection with the Transactions. In exercising the foregoing right, each of the parties shall act reasonably and as promptly as practicable. The parties shall consult with each other with respect to the obtaining of all Permits, consents, approvals and authorizations of all third parties and Permits of all Governmental Entities necessary or advisable to consummate the Transactions and each party will keep the other reasonably apprised of the status of matters relating to completion of the Transactions. The Company, on the one hand, and Acquiror, on the other hand, shall each, in connection with the efforts referenced in this Section 7.1(a) to obtain all requisite Permits for the Transactions, use its reasonable best efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry; (ii) keep the other party informed of any communication received by such party from, or given by such party to any Governmental Entity and (iii) subject to applicable Law, permit the other party to review, in advance, any written communication given by it to or received from, and consult with each other in advance of any meeting or conference with any such Governmental Entity, and to the extent permitted by the applicable Governmental Entity, give the other party the opportunity to attend and participate in such meetings and conferences subject to applicable Law.

(c) The parties shall cooperate with each other and use reasonable best efforts to take, or cause to be taken, in good faith, all actions, and to do, or cause to be done, all things necessary for Acquiror to assume and/or repay, as applicable, the Existing Company Credit Facility and the Company Notes at Closing, and each of Company and Acquiror shall execute such documentation, and shall cooperate and take such other actions as may be reasonably necessary to accomplish the foregoing.

7.2 Regulatory Matters.

(a) The Company and Acquiror shall as promptly as practicable following the execution and delivery of this Agreement jointly prepare and file with the SEC the Registration Statement. Each of the Company and Acquiror shall use its reasonable best efforts to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as necessary to consummate the Merger. Acquiror and the Company shall use reasonable best efforts to cause the Joint Proxy Statement/Prospectus to be promptly mailed or delivered to their respective stockholders upon such effectiveness. Acquiror shall also use its reasonable best efforts to obtain all necessary state securities law or “blue sky” permits and approvals required to carry out the Transactions, if any, and the Company shall use reasonable best efforts to furnish all information concerning the Company and the holders of Company Common Stock as may be reasonably requested by Acquiror in connection with any such action.

(b) Each of the Company and Acquiror shall cooperate with the other in the preparation of the Registration Statement and shall furnish to the other all information reasonably requested as may be reasonably necessary or advisable in connection with the Registration Statement or any other filing or application made by or on behalf of the Company, Acquiror or any of their respective Consolidated Subsidiaries to any Governmental Entity in connection with the BDC Election, Merger and the other Transactions. Prior to the BDC Election Time, each party hereto shall promptly notify the other party (i) upon becoming aware of any event or circumstance that is required to be described in an amendment to the Registration Statement or in a supplement to the Joint Proxy Statement/Prospectus and (ii) after the receipt by it of any comments of the SEC with respect to the Joint Proxy Statement/Prospectus or the Registration Statement.

(c) Subject to applicable Law, each of the Company and Acquiror shall promptly advise the other upon receiving any communication from any Governmental Entity, the consent or approval of which is required for consummation of the Transactions, that causes such party to believe that there is a reasonable likelihood that any Regulatory Approval will not be obtained or that the receipt of any such approval may be materially delayed or conditioned.

7.3 Stockholder Approval.

(a) Notwithstanding anything to the contrary in Section 7.7, unless the Acquiror Board has withdrawn the Acquiror Board Recommendation in compliance with Section 7.7, Acquiror shall submit to its stockholders the issue of the Acquiror Stock Issuance on the terms and conditions set forth in this Agreement and any other matters required to be approved or adopted by its stockholders in order to carry out the Transactions. In furtherance of such obligation, Acquiror shall take, in accordance with applicable Law and the Acquiror Charter and the Acquiror Bylaws, all actions necessary to send a notice as promptly as practicable (but in no event later than 10 Business Days) following the date on which the SEC declares the Registration Statement effective of which the Joint Proxy Statement/Prospectus forms a part, to convene the Acquiror Stockholders Meeting, as promptly as practicable thereafter, to consider and vote upon the Acquiror Stock Issuance, on the terms and conditions set forth in this Agreement as well as any other such matters. The record date for the Acquiror Stockholders Meeting shall be determined in prior consultation with and subject to the prior written approval of the Company (which prior written approval shall not be unreasonably delayed, conditioned or withheld). Unless the Acquiror Board has withdrawn the Acquiror Board Recommendation in compliance with Section 7.7, Acquiror shall use reasonable best efforts to obtain from Acquiror’s stockholders the Acquiror Requisite Vote, including, subject to Section 7.7, by providing to Acquiror’s stockholders the Acquiror Board Recommendation and including such recommendation in the Joint Proxy Statement/Prospectus and by, at the request of the Company, postponing or adjourning the Acquiror Stockholders Meeting to obtain a quorum or solicit additional proxies; provided that Acquiror shall not postpone or adjourn the Acquiror Stockholders Meeting for any other reason without the prior written consent of the Company (which prior written consent shall not be unreasonably delayed, conditioned or withheld). Without limiting the generality of the foregoing but subject to Acquiror’s right to terminate this Agreement pursuant to Section 9.1, Acquiror’s obligations pursuant to this Section 7.3(a) (including its obligation to submit to its stockholders the Acquiror Stock Issuance and any other matters required to be approved or adopted by its stockholders in order to carry out the Transactions) shall not be affected by (i) the commencement, public proposal, public disclosure or communication to Acquiror, its Representatives or its stockholders of any Takeover Proposal (including any Acquiror Superior Proposal), or (ii) Acquiror effecting a Takeover Approval or delivering a Notice of an Acquiror Superior Proposal.

(b) Notwithstanding anything to the contrary in Section 7.8, unless (i) the Company Board has withdrawn the Company Board Recommendation in compliance with Section 7.8, or (ii) following the BDC Election Time, the Post-BDC Election Approvals have not been obtained, the Company shall submit to its stockholders this Agreement, the Company BDC Election Matters and the Company Merger Matters on the terms and conditions set forth in this Agreement and any other matters required to be approved or adopted by its stockholders in order to carry out the Transactions. In furtherance of such obligation, the Company shall take, in accordance with applicable Law and Company Charter and Company Bylaws, all actions necessary to send as promptly as practicable (i) the Joint Proxy Statement/Prospectus, and to convene the Company Stockholders Meeting, as promptly as practicable thereafter, to consider and vote upon the Company BDC Election Matters and Company Merger Matters on the terms and conditions set forth in this Agreement as well as any other such matters. The record date for the Company Stockholders Meeting shall be determined in prior consultation with and subject to the prior written approval of Acquiror (which prior written approval shall not be unreasonably delayed, conditioned or withheld). Unless the Company Board has withdrawn the Company Board Recommendation in compliance with Section 7.8 or the Company Board (on the recommendation of the Company Special Committee) has determined in good faith, that proceeding with or continuing the Company Stockholders Meeting would be inconsistent with its fiduciary duties to the Company's stockholders under applicable Law, the Company shall use reasonable best efforts to obtain from the Company's stockholders Company Requisite Vote, including, subject to Section 7.8, providing to the Company's stockholders the Company Board Recommendation of the approval of the Company BDC Election Matters and Company Merger Matters and including such recommendation in the Joint Proxy Statement/Prospectus and postponing or adjourning the Company Stockholders Meeting to obtain a quorum, solicit additional proxies or to otherwise allow for the filing of the BDC Election or other timing considerations. Without limiting the generality of the foregoing but subject to the Company's right to terminate this Agreement pursuant to Section 9.1, the Company's obligations pursuant to this Section 7.3(b) (including its obligation to submit to its stockholders the Company BDC Election Matters and Company Merger Matters and any other matters required to be approved or adopted by its stockholders in order to carry out the Transactions) shall not be affected by (i) the commencement, public proposal, public disclosure or communication to the Company, its Representatives or its stockholders of any Takeover Proposal (including any the Company Superior Proposal), or (ii) the Company effecting a Takeover Approval or delivering a Notice of a Company Superior Proposal.

7.4 NASDAQ Listing. Acquiror shall use reasonable best efforts to cause the shares of Acquiror Common Stock to be issued as Merger Consideration under this Agreement to be approved for listing on the NASDAQ, subject to official notice of issuance, at or prior to the Merger Effective Time.

7.5 Indemnification: Directors' and Officers' Insurance.

(a) Following the Merger Effective Time, Acquiror shall, to the fullest extent permitted under applicable Law, defend and hold harmless and advance expenses to the present and former directors and officers of the Company or any of its Consolidated Subsidiaries (in each case, when acting in such capacity) (each, an "Indemnified Party" and collectively, the "Indemnified Parties") against all costs or expenses (including, but not limited to, reasonable attorneys' fees actually incurred, reasonable experts' fees, reasonable travel expenses, court costs, transcript fees and telecommunications, postage and courier charges), judgments, fines, losses, claims, damages, penalties, amounts paid in settlement or other liabilities (collectively, "Indemnified Liabilities") incurred in connection with any Proceeding arising out of actions or omissions occurring at or prior to the Merger Effective Time (including the Transactions). In the event of any such Indemnified Liabilities, (i) Acquiror shall advance to such Indemnified Party, upon request, reimbursement of documented expenses reasonably and actually incurred to the fullest extent permitted under applicable Law provided that the Person to whom expenses are advanced, or someone on his or her behalf, provides an undertaking to repay such advances if it is ultimately determined that such Person is not entitled to indemnification and complies with other applicable provisions imposed under the Investment Company Act and interpretations thereof by the SEC or its staff and (ii) Acquiror and the applicable Indemnified Parties shall cooperate in the defense of such matter.

(b) Unless the Company and Acquiror shall otherwise agree, prior to the Merger Effective Time, the Company shall, and, if the Company is unable to, Acquiror shall, cause the Surviving Company or its successor, effective as of the Merger Effective Time, to obtain and fully pay the premium for a “tail” insurance policy for the extension of the directors’ and officers’ liability coverage of the Company’s existing directors’ and officers’ insurance policies for a claims reporting or discovery period of seven years from and after the Merger Effective Time (the “Tail Period”) with coverage and amounts not less than, and terms and conditions that are not materially less advantageous to the insureds as, the Company’s existing policies with respect to matters existing or occurring at or prior to the Merger Effective Time (the “Current D&O Insurance”). If the Company and the Surviving Company or its successor for any reason fail to obtain such “tail” insurance policy as of the Merger Effective Time, the Surviving Company or its successor shall, and Acquiror shall cause the Surviving Company or its successor to, continue to maintain in effect for the Tail Period the Current D&O Insurance in place as of the date of this Agreement with coverage and amounts not less than, and terms and conditions that are not materially less advantageous to the insureds as, provided in the Current D&O Insurance, or the Surviving Company or its successor shall, and Acquiror shall cause the Surviving Company or its successor to, purchase comparable insurance for the Tail Period; provided, that in no event shall the annual cost of such insurance exceed during the Tail Period 300% of the current aggregate annual premium paid by the Company for such purpose; provided, further, that if the cost of such insurance coverage exceeds such amount, the Surviving Company or its successor shall obtain a policy with the greatest coverage available for a cost not exceeding such amount.

(c) Any Indemnified Party wishing to claim indemnification under Section 7.5(a), upon learning of any Proceeding described above, shall promptly notify Acquiror in writing; provided that the failure to so notify shall not affect the obligations of Acquiror under Section 7.5(a) unless Acquiror is materially prejudiced as a consequence.

(d) If Acquiror or any of its successors or assigns consolidates with or merges into any other entity and is not the continuing or surviving entity of such consolidation or merger or transfers all or substantially all of its assets to any other entity, then and in each such case, Acquiror shall cause proper provision to be made so that the successors and assigns of Acquiror shall assume the obligations set forth in this Section 7.5.

(e) The provisions of this Section 7.5 are (i) intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have by Contract or otherwise.

7.6 No Solicitation.

(a) Each of Acquiror and the Company shall, and shall cause its respective Affiliates, Consolidated Subsidiaries, and its and each of their respective officers, directors, trustees, managers, employees, consultants, financial advisors, attorneys, accountants and other advisors, representatives and agents (collectively, “Representatives”) to, immediately cease and cause to be terminated any discussions or negotiations with any parties that may be ongoing with respect to, or that are intended to or could reasonably be expected to lead to, a Takeover Proposal, and demand the immediate return or destruction (which destruction shall be certified in writing to Acquiror or the Company, as applicable) of all confidential information previously furnished to any Person (other than Acquiror, the Company or their respective Affiliates or Representatives) with respect to any Takeover Proposal. Prior to the Merger Effective Time, subject to Section 7.7 in the case of Acquiror and Section 7.8 in the case of the Company, each of Acquiror and the Company shall not, and shall cause its respective Affiliates, Consolidated Subsidiaries and its and their respective Representatives not to: (i) directly or indirectly solicit, initiate, induce, encourage or take any other action (including by providing information) designed to, or which could reasonably be expected to, facilitate any inquiries or the making or submission or implementation of any proposal or offer (including any proposal or offer to its stockholders) with respect to any Takeover Proposal; (ii) approve, publicly endorse or recommend or enter into any agreement, arrangement, discussions or understandings with respect to any Takeover Proposal (including any letter of intent, agreement in principle, memorandum of understanding or confidentiality agreement) or enter into any Contract or understanding (including any letter of intent, agreement in principle, memorandum of understanding or confidentiality agreement) requiring it to abandon, terminate or fail to consummate, or that is intended to or that could reasonably be expected to result in the abandonment of, termination of or failure to consummate, the Merger or any other Transaction; (iii) initiate or participate in any way in any negotiations or discussions regarding, or furnish or disclose to any Person (other than the Company, Acquiror or their respective Affiliates or Representatives) any information with respect to, or take any other action to facilitate or in furtherance of any inquiries or the making of any proposal that constitutes, or could reasonably be expected to lead to, any Takeover Proposal; (iv) publicly propose or publicly announce an intention to take any of the foregoing actions; or (v) grant any (x) approval pursuant to any Takeover Statute to any Person (other than the Company, Acquiror or their respective Affiliates) or with respect to any transaction (other than the Transactions) or (y) unless required by applicable fiduciary duties, waiver or release under any standstill or any similar agreement with respect to equity securities of Acquiror or the Company; provided however, that notwithstanding the foregoing, each Party (A) may inform Persons of the provisions contained in this Section 7.6, and (B) shall be permitted to grant a waiver of, or terminate, any “standstill” or similar obligation of any third party with respect to equity securities of Acquiror or the Company in order to allow such third party to confidentially submit a Takeover Proposal.

(b) Each of Acquiror and the Company shall as promptly as reasonably practicable (and in any event within twenty-four (24) hours after receipt) (i) notify the other party in writing of any request for information or any Takeover Proposal and the terms and conditions of such request, Takeover Proposal or inquiry (including the identity of the Person (or group of Persons) making such request, Takeover Proposal or inquiry) and (ii) provide to the other party copies of any written materials received by Acquiror or the Company or their respective Representatives in connection with any of the foregoing, and the identity of the Person (or group of Persons) making any such request, Takeover Proposal or inquiry or with whom any discussions or negotiations are taking place. Each of Acquiror and the Company agrees that it shall keep the other party informed on a reasonably current basis of the status and the material terms and conditions (including amendments or proposed amendments) of any such request, Takeover Proposal or inquiry and keep the other party informed on a reasonably current basis of any information requested of or provided by Acquiror or the Company and as to the status of all discussions or negotiations with respect to any such request, Takeover Proposal or inquiry.

7.7 Acquiror Takeover Proposals.

(a) If on or after the date of this Agreement and at any time prior to the Acquiror Stockholders Meeting: (i) Acquiror receives a bona fide unsolicited Takeover Proposal (under circumstances in which Acquiror has complied in all material respects with the provisions of Sections 7.6(a) and (b)); (ii) the Acquiror Special Committee shall have determined in good faith, after consultation with its outside legal counsel and financial advisor, that (x) failure to consider such Takeover Proposal would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of Acquiror under applicable Law and (y) such Takeover Proposal constitutes or is reasonably likely to result in an Acquiror Superior Proposal; and (iii) Acquiror gives the Company at least two (2) Business Days prior written notice of the identity of the Person making such Takeover Proposal, the terms and conditions of such Takeover Proposal and Acquiror's intention to furnish information to, or participate in discussions or negotiations with, the Person making such Takeover Proposal then, subject to compliance with this Section 7.7(a), Acquiror may:

(i) engage in negotiations or discussions with such Person who has made the unsolicited bona fide Takeover Proposal and provide information in response to a request therefor by a Person who has made such Takeover Proposal if Acquiror (A) receives from such Person an executed confidentiality agreement with customary terms (including a standstill) and (B) provides the Company a copy of all such information that has not previously been delivered to the Company simultaneously with delivery to such Person (or such Person's Representatives and Affiliates); and

(ii) after fulfilling its obligations under Section 7.7(b) below, adopt, approve or recommend, or publicly propose to adopt, approve or recommend such Takeover Proposal, including entering into an agreement with respect thereto (collectively, a "Takeover Approval").

If on or after the date of this Agreement and at any time prior to the Acquiror Stockholders Meeting, the Acquiror Special Committee shall have determined, by a majority of its members, after consultation with its outside legal counsel that failure to do so would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of Acquiror under applicable Law as a result of an Acquiror Superior Proposal, Acquiror may (A) withdraw or qualify (or modify or amend in a manner adverse to the Company), or publicly propose to withdraw or qualify (or modify or amend in a manner adverse to the Company), the Acquiror Board Recommendation and/or (B) take any action or make any statement, filing or release, in connection with the Acquiror Stockholders Meeting or otherwise, inconsistent with the Acquiror Board Recommendation (any action described in clause (A) and (B) referred to collectively with any Takeover Approval as a "Acquiror Adverse Recommendation Change").

(b) Upon any determination that a Takeover Proposal constitutes an Acquiror Superior Proposal, Acquiror shall promptly provide (and in any event within twenty-four (24) hours of such determination) to the Company a written notice (a “Notice of an Acquiror Superior Proposal”) (i) advising the Company that the Acquiror Board has received an Acquiror Superior Proposal and (ii) specifying in reasonable detail the material terms and conditions of such Acquiror Superior Proposal, including the amount per share or other consideration that the stockholders of Acquiror will receive in connection with the Acquiror Superior Proposal. Acquiror shall cooperate and negotiate in good faith with the Company (to the extent the Company desires to negotiate) during the two (2) calendar day period following the Company’s receipt of the Notice of an Acquiror Superior Proposal (it being understood that any amendment to the financial terms or any other material term of such Acquiror Superior Proposal shall require a new notice and a new two (2) calendar day period) to make such adjustments in the terms and conditions of this Agreement as would enable Acquiror to determine that such Acquiror Superior Proposal is no longer an Acquiror Superior Proposal and proceed with an Acquiror Board Recommendation without an Acquiror Adverse Recommendation Change. If thereafter the Acquiror Special Committee determines, in its reasonable good faith judgment, by a majority of its members, after consultation with its outside legal counsel and financial advisor and after giving effect to any proposed adjustments to the terms of this Agreement that such Acquiror Superior Proposal remains an Acquiror Superior Proposal or the failure to make such Acquiror Adverse Recommendation Change would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of Acquiror under applicable Law, and Acquiror has complied in all material respects with Section 7.7(a) above, Acquiror may terminate this Agreement pursuant to Section 9.1(d)(iv).

(c) Other than as permitted by Section 7.7(a), neither Acquiror nor the Acquiror Board shall make any Acquiror Adverse Recommendation Change. Notwithstanding anything herein to the contrary, no Acquiror Adverse Recommendation Change shall change the approval of the Acquiror Stock Issuance or any other approval of the Acquiror Board, including in any respect that would have the effect of causing any Takeover Statute or other similar statute to be applicable to the Transactions.

(d) Acquiror shall provide the Company with prompt written notice of any meeting of the Acquiror Board at which the Acquiror Board is reasonably expected to consider any Takeover Proposal (such written notice shall in any event be received by the Company reasonably in advance of such meeting).

(e) Other than in connection with a Takeover Proposal with respect to Acquiror, nothing in this Agreement shall prohibit or restrict the Acquiror Board from taking any action described in clause (A) of the definition of Acquiror Adverse Recommendation Change in response to an Intervening Event (a “Acquiror Intervening Event Recommendation Change”) if (A) prior to effecting any such Acquiror Intervening Event Recommendation Change, Acquiror promptly notifies the Company, in writing, at least five (5) Business Days (the “Acquiror Intervening Event Notice Period”) before taking such action of its intent to consider such action (which notice shall not, by itself, constitute an Acquiror Adverse Recommendation Change or an Acquiror Intervening Event Recommendation Change), and which notice shall include a reasonably detailed description of the underlying facts giving rise to, and the reasons for taking, such action, (B) Acquiror shall, and shall cause its Representatives to, during the Acquiror Intervening Event Notice Period, negotiate with the Company in good faith (to the extent the Company desires to negotiate) to make such adjustments in the terms and conditions of this Agreement that would not permit the Acquiror Board to make an Acquiror Intervening Event Recommendation Change, and (C) the Acquiror Special Committee determines, after consulting with outside legal counsel and its financial advisor, that the failure to effect such an Acquiror Intervening Event Recommendation Change, after taking into account any adjustments made by the Company during the Acquiror Intervening Event Notice Period, would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of Acquiror under applicable Law.

(f) Nothing contained in this Agreement shall be deemed to prohibit Acquiror from (i) complying with its disclosure obligations under applicable U.S. federal or state Law with regard to any Takeover Proposal or (ii) making any disclosure to Acquiror's stockholders if, after consultation with its outside legal counsel, Acquiror determines that such disclosure would be required under applicable Law; provided, however, that any such disclosures (other than a "stop, look and listen" communication or similar communication of the type contemplated by Section 14d-9(f) under the Exchange Act) shall be deemed to be an Acquiror Adverse Recommendation Change unless the Acquiror Board expressly publicly reaffirms the Acquiror Board Recommendation (i) in such communication or (ii) within three (3) Business Days after being requested in writing to do so by the Company.

7.8 Company Takeover Proposals.

(a) If on or after the date of this Agreement and at any time prior to the Company Stockholders Meeting: (i) the Company receives a bona fide unsolicited Takeover Proposal (under circumstances in which the Company has complied in all material respects with the provisions of Sections 7.6(a) and (b)); (ii) Company Special Committee shall have determined in good faith, after consultation with its outside legal counsel and financial advisor that (x) failure to consider such Takeover Proposal would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of the Company under applicable Law and (y) such Takeover Proposal constitutes or is reasonably likely to result in a Company Superior Proposal; and (iii) the Company gives Acquiror at least two (2) Business Days prior written notice of the identity of the Person making such Takeover Proposal, the terms and conditions of such Takeover Proposal and the Company's intention to furnish information to, or participate in discussions or negotiations with, the Person making such Takeover Proposal then, subject to compliance with this Section 7.8(a), the Company may:

(i) engage in negotiations or discussions with such Person who has made the unsolicited bona fide Takeover Proposal and provide information in response to a request therefor by a Person who has made such Takeover Proposal if the Company (A) receives from such Person an executed confidentiality agreement with customary terms (including a standstill) and (B) provides Acquiror a copy of all such information that has not previously been delivered to Acquiror simultaneously with delivery to such Person (or such Person's Representatives or Affiliates); and

(ii) after fulfilling its obligations under Section 7.8(b) below, effect a Takeover Approval.

If on or after the date of this Agreement and at any time prior to the Company Stockholders Meeting, Company Special Committee shall have determined, by a majority of its members, after consultation with its outside legal counsel, that failure to do so would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of the Company under applicable Law as a result of a Company Superior Proposal, the Company may (A) withdraw or qualify (or modify or amend in a manner adverse to Acquiror), or publicly propose to withdraw or qualify (or modify or amend in a manner adverse to Acquiror), the Company Board Recommendation and/or (B) take any action or make any statement, filing or release, in connection with the Company Stockholders Meeting or otherwise, inconsistent with the Company Board Recommendation (any action described in clause (A) and (B) referred to collectively with any Takeover Approval as a "Company Adverse Recommendation Change").

(b) Upon any determination that a Takeover Proposal constitutes a Company Superior Proposal, the Company shall promptly provide (and in any event within twenty-four (24) hours of such determination) to Acquiror a written notice (a “Notice of a Company Superior Proposal”) (i) advising Acquiror that the Company Board has received a Company Superior Proposal and (ii) specifying in reasonable detail the material terms and conditions of such the Company Superior Proposal, including the amount per share or other consideration that the stockholders of the Company will receive in connection with Company Superior Proposal. the Company shall cooperate and negotiate in good faith with Acquiror (to the extent Acquiror desires to negotiate) during the two (2) calendar day period following Acquiror’s receipt of the Notice of a Company Superior Proposal (it being understood that any amendment to the financial terms or any other material term of such the Company Superior Proposal shall require a new notice and a new two (2) calendar day period) to make such adjustments in the terms and conditions of this Agreement as would enable the Company to determine that such the Company Superior Proposal is no longer a Company Superior Proposal and proceed with the Company Board Recommendation without a Company Adverse Recommendation Change. If thereafter Company Special Committee determines, in its reasonable good faith judgment, by a majority of its members, after consultation with its outside legal counsel and financial advisor and after giving effect to any proposed adjustments to the terms of this Agreement that such the Company Superior Proposal remains a Company Superior Proposal or the failure to make such Company Adverse Recommendation Change would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of the Company under applicable Law, and the Company has complied in all material respects with Section 7.8(a) above, the Company may terminate this Agreement pursuant to Section 9.1(c)(iv).

(c) Other than as permitted by Section 7.8(a), neither the Company nor the Company Board shall make any Company Adverse Recommendation Change. Notwithstanding anything herein to the contrary, no Company Adverse Recommendation Change shall change the approval of Company BDC Election Matters or Company Merger Matters or any other approval of the Company Board, including in any respect that would have the effect of causing any Takeover Statute or other similar statute to be applicable to the Transactions.

(d) The Company shall provide Acquiror with prompt written notice of any meeting of the Company Board at which the Company Board is reasonably expected to consider any Takeover Proposal (such written notice shall in any event be received by Acquiror reasonably in advance of such meeting).

(e) Other than in connection with a Takeover Proposal with respect to the Company, nothing in this Agreement shall prohibit or restrict the Company Board from taking any action described in clause (A) of the definition of Company Adverse Recommendation Change in response to an Intervening Event (a “Company Intervening Event Recommendation Change”) if (A) prior to effecting any such Company Intervening Event Recommendation Change, the Company promptly notifies Acquiror, in writing, at least five (5) Business Days (the “Company Intervening Event Notice Period”) before taking such action of its intent to consider such action (which notice shall not, by itself, constitute a Company Adverse Recommendation Change or a Company Intervening Event Recommendation Change), and which notice shall include a reasonably detailed description of the underlying facts giving rise to, and the reasons for taking, such action, (B) the Company shall, and shall cause its Representatives to, during a Company Intervening Event Notice Period, negotiate with Acquiror in good faith (to the extent Acquiror desires to negotiate) to make such adjustments in the terms and conditions of this Agreement that would not permit Company Special Committee to make a Company Intervening Event Recommendation Change, and (C) Company Special Committee determines, after consulting with outside legal counsel and its financial advisor, that the failure to effect such a Company Intervening Event Recommendation Change, as applicable, after taking into account any adjustments made by Acquiror during a Company Intervening Event Notice Period, would be reasonably likely to be a breach of the fiduciary duties applicable to the directors of the Company under applicable Law.

(f) Nothing contained in this Agreement shall be deemed to prohibit the Company from (i) complying with its disclosure obligations under applicable U.S. federal or state Law with regard to any Takeover Proposal or (ii) making any disclosure to the Company’s stockholders if, after consultation with its outside legal counsel, the Company determines that such disclosure would be required under applicable Law; provided, however, that any such disclosures (other than a “stop, look and listen” communication or similar communication of the type contemplated by Section 14d-9(f) under the Exchange Act) shall be deemed to be a Company Adverse Recommendation Change unless the Company Board expressly publicly reaffirms the Company Board Recommendation (i) in such communication or (ii) within three (3) Business Days after being requested in writing to do so by Acquiror.

7.9 Access to Information.

(a) Upon reasonable notice, except as may otherwise be restricted by applicable Law, each of Acquiror and the Company shall, and shall cause each of its Consolidated Subsidiaries to, afford to the directors, officers, accountants, counsel, advisors and other Representatives of the other party, reasonable access, during normal business hours during the period prior to the Merger Effective Time, to its properties, books, Contracts, and records and, during such period, such party shall, and shall cause its Consolidated Subsidiaries to, make available (including via EDGAR) to the other party all other information concerning its business and properties as the other party may reasonably request; provided that the foregoing shall not require Acquiror or the Company, as applicable, to afford access to or to disclose any information that in such party's reasonable judgment would violate any confidentiality obligations to which such party is subject to if after using its reasonable best efforts with respect thereto, it was unable to obtain any required consent to provide such access or make such disclosure; provided, further, that either Acquiror or the Company may restrict access to the extent required by any applicable Law or as may be necessary to preserve attorney-client privilege under any circumstances in which such privilege may be jeopardized by such disclosure or access.

(b) No investigation by a party hereto or its representatives shall affect or be deemed to modify the representations and warranties of the other party set forth in this Agreement.

7.10 Publicity. The initial press release with respect to the Transactions shall be a joint press release reasonably acceptable to each of the Company, Acquiror and the Advisers. Thereafter, so long as this Agreement is in effect, the Company, Acquiror and the Advisers each shall consult with the others before issuing or causing the publication of any press release or other public announcement with respect to this Agreement, the Merger, or the Transactions, except as may be required by applicable Law or the rules and regulations of the NASDAQ or Nasdaq Stock Market LLC and, to the extent practicable, before such press release or disclosure is issued or made, the Company, Acquiror or Advisers, as applicable, shall have used commercially reasonable efforts to advise the other parties of, and consult with the other parties regarding, the text of such disclosure; provided, that each of the Company, Acquiror or Advisers may make any public statement in response to specific questions by analysts, investors or those attending industry conferences or financial analyst conference calls, so long as any such statements are consistent with previous press releases, public disclosures or public statements made in compliance with this Section 7.10.

7.11 Takeover Statutes and Provisions. Neither the Company nor Acquiror will take any action that would cause the Transactions to be subject to requirements imposed by any Takeover Statutes. Each of the Company and Acquiror shall take all necessary steps within its control to exempt (or ensure the continued exemption of) those Transactions from, or if necessary challenge the validity or applicability of, any applicable Takeover Statute, as now or hereafter in effect.

7.12 Tax Matters .

(a) Tax Representation Letters. Prior to the Merger Effective Time (or at such other times as requested by counsel), each of the Company and Acquiror shall execute and deliver to Nixon Peabody LLP and Eversheds Sutherland (US) LLP tax representation letters (which will be used in connection with the tax opinions contemplated by Sections 8.2(f) and 8.3(e)) in form and substance reasonably satisfactory to each such counsel, containing such representations as shall be reasonably necessary or appropriate to enable such counsel to deliver the relevant tax opinions.

(b) RIC and REIT Status. During the period from the date of this Agreement to the Merger Effective Time, except as expressly contemplated or permitted by this Agreement, (i) Acquiror shall not, and shall not permit any of its Consolidated Subsidiaries to, directly or indirectly, without the prior written consent of the Company, take any action, or knowingly fail to take any action, which action or failure to act is reasonably likely to cause Acquiror to fail to qualify as a RIC prior to or at the Merger Effective Time, and (ii) the Company shall not, and shall not permit any of its Consolidated Subsidiaries to, directly or indirectly, without the prior written consent of Acquiror, take any action, or knowingly fail to take any action, which action or failure to act is reasonably likely to cause the Company to fail to qualify as a REIT prior to or at the Merger Effective Time.

(c) Pre-Closing Tax Dividends. Prior to the BDC Election Time, the Company shall declare and pay one or more Tax Dividends in an aggregate amount sufficient to (i) eliminate all of the Company's accumulated earnings and profits for U.S. federal income tax purposes, including any earnings and profits (A) attributable to any taxable year in which the Company was treated as a C corporation (and not as a REIT) for U.S. federal income tax purposes, (B) accumulated during any taxable year in which the Company qualified as a REIT to the extent not previously distributed, and (C) attributable to the Company's taxable year ending as a result of the Merger (including any income recognized through the Effective Time), and (ii) reduce the Company's real estate investment trust taxable income and net capital gain (if any) to zero for the Company's taxable year ending as a result of the Merger (taking into account the dividends paid deduction as defined in Section 561 of the Code arising from such Tax Dividends). Prior to the BDC Election Time, the Company shall engage an independent accounting firm to prepare a computation of accumulated earnings and profits confirming the amount of Tax Dividends that needs to be distributed to satisfy the foregoing requirements.

(d) Tax Treatment of Merger. Unless otherwise required by applicable Law or administrative action, (i) each of Acquiror and the Company shall use its reasonable best efforts to cause the Merger to qualify as a "reorganization" within the meaning of Section 368(a) of the Code, including by not taking any action that such party knows is reasonably likely to prevent such qualification, and (ii) each of Acquiror and the Company shall report the Merger for U.S. federal income Tax purposes as a "reorganization" within the meaning of Section 368(a) of the Code, and shall not take any Tax reporting position inconsistent with such treatment.

(e) Tax Opinions. Each of Acquiror and the Company shall use its best efforts to cause the tax opinion described in Section 8.3(e) and Section 8.2(f), respectively, to be delivered, including by executing and delivering the tax representation letters contemplated by Section 7.12(a), providing any information reasonably requested by their respective tax counsel in connection with the issuance of such opinion, and otherwise cooperating with their respective tax counsel. The issuance of any such tax opinion shall be subject to the satisfaction of counsel that the requirements for issuance of such opinion have been met.

7.13 Stockholder Litigation. The parties to this Agreement shall reasonably cooperate and consult with one another in connection with the defense and settlement of any Proceeding by Acquiror's stockholders or the Company's stockholders against any of them or any of their respective directors, officers or Affiliates with respect to this Agreement or the Transactions; provided, however, neither party shall be required to share or provide any information that such party reasonably deems to be subject to legal privilege unless and until an appropriate joint defense agreement is in place, and each of Acquiror and the Company agree to negotiate in good faith and execute a standard joint defense agreement as soon as reasonably practicable in the circumstances. Each of Acquiror and the Company (i) shall keep the other party reasonably informed of any material developments in connection with any such Proceeding brought by its stockholders and (ii) shall not settle any such Proceeding without the prior written consent of the other party (such consent not to be unreasonably delayed, conditioned or withheld).

7.14 Section 16 Matters. Prior to the Merger Effective Time, each of the Acquiror Board and the Company Board shall take all such steps as may be required to cause any dispositions of Company Common Stock (including derivative securities with respect to Company Common Stock) or acquisitions of Acquiror Common Stock (including derivative securities with respect to Acquiror Common Stock) resulting from the Transactions by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Acquiror or will become subject to such reporting requirements with respect to the Company, in each case, to be exempt pursuant to Rule 16b-3.

7.15 No Other Representations or Warranties. The parties hereto acknowledge and agree that, except for the representations and warranties of the Company in Article III, representations and warranties of Acquiror in Article IV and the representations and warranties of Advisers in Article V, none of Advisers, Acquiror, the Company or any of Acquiror's or the Company's respective Consolidated Subsidiaries or any other Person acting on behalf of the foregoing makes any representation or warranty, express or implied.

7.16 Coordination of Dividends. The Company and Acquiror shall coordinate with each other in designating the record and payment dates for any quarterly dividends or distributions to its stockholders declared in accordance with this Agreement in any calendar quarter in which the Closing Date might reasonably be expected to occur.

7.17 Share Repurchase Program. From and after the date hereof until the Merger Effective Time, the Acquiror Board shall consider in good faith the adoption of a share repurchase program of up to twenty-five million dollars (\$25,000,000) to be implemented following Closing, which share repurchase program, if adopted, shall be on such terms, and subject to such conditions, as the Acquiror may reasonably determine to be advisable in the circumstances, taking into account then-current market conditions and such other matters as the Acquiror Board determine to be relevant.

8.4 Frustration of Closing Conditions. None of the Company or Acquiror may rely on the failure of any condition set forth in this Article VIII to be satisfied to excuse performance by such party of its obligations under this Agreement if such failure was caused by such party's failure to act in good faith or to use its commercially reasonable efforts to consummate the Merger and the Transactions.

ARTICLE IX

9.1 Termination. This Agreement may be terminated at any time prior to the Merger Effective Time, whether before or after the Acquiror Requisite Vote has been obtained or Company Requisite Vote has been obtained:

(c) by the Company, if:

(i) there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of Acquiror, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 8.3(a), (b) or (c), and such breach is not curable prior to the Termination Date or if curable prior to the Termination Date, has not been cured within 30 days after the giving of notice thereof by the Company to Acquiror (provided that the Company is not then in material breach of this Agreement so as to cause any of the conditions set forth in Section 8.1, 8.3(a), 8.3(b) or 8.3(c) not to be satisfied);

(ii) prior to obtaining the Acquiror Requisite Vote (A) an Acquiror Adverse Recommendation Change and/or Takeover Approval shall have occurred, (B) Acquiror shall have failed to include in the Joint Proxy Statement/Prospectus the Acquiror Board Recommendation, (C) a Takeover Proposal is publicly announced and Acquiror fails to issue, within 10 Business Days after such Takeover Proposal is announced, a press release that reaffirms the Acquiror Board Recommendation, or (D) a tender or exchange offer relating to any shares of Acquiror Common Stock shall have been commenced by a third party and Acquiror shall not have sent to its stockholders, within 10 Business Days after the commencement of such tender or exchange offer, a statement disclosing that the Acquiror Board recommends rejection of such tender or exchange offer;

(d) by Acquiror, if:

(i) there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Company, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 8.2(a), (b) or (c), and such breach is not curable prior to the Termination Date or if curable prior to the Termination Date, has not been cured within 30 days after the giving of notice thereof by Acquiror to the Company (provided that Acquiror is not then in material breach of this Agreement so as to cause any of the conditions set forth in Section 8.1, 8.2(a), 8.2(b) or 8.2(c) not to be satisfied);

(ii) prior to obtaining Company Requisite Vote (A) a Company Adverse Recommendation Change and/or Takeover Approval shall have occurred, (B) the Company shall have failed to include in the Joint Proxy Statement/Prospectus the Company Board Recommendation, (C) a Takeover Proposal is publicly announced and the Company fails to issue, within 10 Business Days after such Takeover Proposal is announced, a press release that reaffirms the Company Board Recommendation or (D) a tender or exchange offer relating to any shares of Company Common Stock shall have been commenced by a third party and the Company shall not have sent to its stockholders, within 10 Business Days after the commencement of such tender or exchange offer, a statement disclosing that the Company Board recommends rejection of such tender or exchange offer;

The party desiring to terminate this Agreement pursuant to Section 9.1 shall give written notice of such termination to the other party in accordance with Section 11.2, specifying the provision or provisions hereof pursuant to which such termination is effected.

9.2 [Reserved].

9.3 Effect of Termination . In the event of termination of this Agreement by either Acquiror or the Company as provided in Section 9.1, this Agreement shall forthwith become void and have no effect, and neither the Company, Acquiror, nor any of their respective Affiliates or Consolidated Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever under this Agreement, or in connection with the Transactions, except that Section 7.9(b), Article IX and Article XI (including, in each case, any applicable definitions) shall survive any termination of this Agreement; provided, however, that nothing herein shall relieve any party from any liabilities for damages incurred or suffered by another party arising out of the willful or intentional breach by such party of any provision of this Agreement or a failure or refusal by such party to consummate this Agreement and the Transactions when such party was obligated to do so in accordance with the terms hereof.

(b) With respect to the payment of the costs and expenses of printing and mailing the Registration Statement and all filing and other fees payable to the SEC in connection with the Merger: (i) Acquiror shall be responsible to pay for the first \$200,000 of such fees and expenses; (ii) to the extent such fees and expenses exceed \$200,000, the Company shall be responsible for the next \$150,000; and (iii) to the extent that such fees and expenses exceed \$350,000, both Acquiror and the Company shall evenly split the payment of any and all remaining fees and expenses.

9.5 Amendment. This Agreement may be amended by the parties, by action taken or authorized by their respective Boards of Directors, at any time before or after Company Requisite Vote has been obtained or the Acquiror Requisite Vote has been obtained; provided, however, that after Company Requisite Vote has been obtained or the Acquiror Requisite Vote has been obtained, as applicable, there may not be, without further approval of the applicable party's stockholders, any amendment of this Agreement that requires such further approval under applicable Law. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties; provided, however, that (i) the execution of such amendment shall not require the Acquiror Adviser unless such amendment relates to Section 1.7, Article V, Section 7.2, Section 8.3 or Article XI and (ii) the execution of such amendment shall not require the Company Manager unless such amendment relates to Section 1.7, Article V, Section 7.2, Section 8.2, Section 9.4 and Article XI. 11.3 Interpretation; Construction. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The terms "cash," "dollars" and "\$" mean United States dollars. All schedules and exhibits hereto shall be deemed part of this Agreement and included in any reference to this Agreement. Any singular term in this Agreement shall be deemed to include the plural, and any plural term the singular. If any term, provision, covenant or restriction contained in this Agreement is held by a court or a federal or state regulatory agency of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions and covenants and restrictions contained in this Agreement shall remain in full force and effect, and shall in no way be affected, impaired or invalidated. If for any reason such court or regulatory agency determines that any term, provision, covenant or restriction is invalid, void or unenforceable, it is the express intention of the parties that such term, provision, covenant or restriction be enforced to the maximum extent permitted. The parties have jointly participated in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

11.4 Counterparts. This Agreement may be executed in two or more counterparts (including by facsimile or other electronic means), all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties (including by facsimile or other electronic means), it being understood that each party need not sign the same counterpart.

11.5 Entire Agreement. This Agreement (including the documents and the instruments referred to in this Agreement) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Agreement.

11.6 Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed and construed in accordance with the Laws of the State of Maryland applicable to contracts made and performed entirely within such state, without regard to any applicable conflicts of law principles that would cause the application of the Laws of another jurisdiction, except to the extent governed by the Investment Company Act, in which case the Investment Company Act shall control. The parties hereto agree that any Proceeding brought by any party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Transactions shall be brought in the state courts in the State of Maryland, and the appellate courts to which orders and judgments therefore may be appealed (collectively, the "Acceptable Courts"). Each of the parties hereto submits to the jurisdiction of any Acceptable Court in any Proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Transactions and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such Proceeding. Each party hereto irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any Proceeding in any such Acceptable Court or that any such Proceeding brought in any such Acceptable Court has been brought in an inconvenient forum. EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereto (a) certifies that no representative of any other party has represented, expressly or otherwise, that such other party would not, in the event of any action, suit or proceeding, seek to enforce the foregoing waiver, (b) certifies that it makes this waiver voluntarily and (c) acknowledges that it and the other parties hereto have been induced to enter into this Agreement, by, among other things, the mutual waiver and certifications in this Section 11.6.

11.7 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any of the parties (whether by operation of law or otherwise) without the prior written consent of the other parties. Any purported assignment in contravention hereof shall be null and void. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the parties and their respective successors and assigns. Except as otherwise specifically provided in Section 7.5, this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any Person other than the parties hereto any rights or remedies under this Agreement.

11.8 Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any federal or state court located in the State of Maryland, without proof of actual damages (and each party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which such party is entitled at law or in equity. Each of the parties hereto agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other party hereto has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity.

11.9 Disclosure Schedule. Before entry into this Agreement, the Company, Acquiror, the Company Manager and the Acquiror Adviser each delivered to the other party a schedule (the "Company Disclosure Schedule", the "Acquiror Disclosure Schedule" and the "Company Manager Disclosure Schedule", and the "Acquiror Adviser Disclosure Schedule", respectively, each a "Disclosure Schedule") that sets forth, among other things, items the disclosure of which is necessary or appropriate either in response to an express disclosure requirement contained in a provision hereof or as an exception to one or more representations or warranties contained in Article III or Article IV, as applicable, or to one or more covenants contained herein; provided, however, that notwithstanding anything in this Agreement to the contrary, the mere inclusion of an item as an exception to a representation or warranty shall not be deemed an admission that such item represents a material exception or material fact, event or circumstance or that such item has had or would be reasonably likely to have a Material Adverse Effect. Each Disclosure Schedule shall be numbered to correspond with the sections and subsections contained in this Agreement. The disclosure in any section or subsection of each Disclosure Schedule, shall qualify only (i) the corresponding section or subsection, as the case may be, of this Agreement, (ii) other sections or subsections of this Agreement to the extent specifically cross-referenced in such section or subsection thereof, and (iii) other sections or subsections of this Agreement to the extent it is reasonably apparent from a reading of the disclosure that such disclosure is applicable to such other sections or subsections.

Except as mutually agreed by the Acquiror Special Committee and the Company Special Committee, in connection with the calculation of Closing Acquiror Net Asset Value, the following valuation principles, assumptions, methodologies and adjustments shall apply:

1. Closing Acquiror Net Asset Value shall be calculated in good faith as of the Determination Date based upon the net asset value of Acquiror's consolidated assets as of such date, as determined consistently with the portfolio valuation methods approved by the Acquiror Board as of March 31, 2026 for valuing the securities and other assets of Acquiror except as otherwise provided herein.
2. The following adjustments (to the extent appropriate on a per share basis) shall be made to the foregoing calculation of Closing Acquiror Net Asset Value to the extent not already reflected therein (i.e., without duplication):
 - a. An accrual shall be made for any dividends declared by Acquiror but not paid as of the Merger Effective Time;
 - b. An adjustment shall be made to the carrying value of Acquiror's investment portfolio to fair value in accordance with FASB Topic ASC 820 – *Fair Value Measurement* ("ASC 820") and Topic 946 – *Investment Companies* ("ASC 946");
 - c. To the extent not previously adjusted as among the parties pursuant to Section 9.4 of the Agreement, an adjustment shall be made to reflect the allocation of costs, fees and expenses contemplated by Section 9.4 of the Agreement; and
 - d. An adjustment shall be made to decrease Closing Acquiror Net Asset Value by the aggregate amount of all Acquiror Transaction Expenses.
3. The calculation of Closing Acquiror Net Asset Value shall be subject to the adjustments contemplated by Section 1.6(d) of the Agreement.

"Acquiror Transaction Expenses" means all costs and expenses of the Acquiror and its Consolidated Subsidiaries incurred, or to be incurred prior to the Merger Effective Time, in connection with the preparation, execution, and consummation of this Agreement and the Closing of the Merger, including, without limitation, all fees and disbursements of investment bankers, brokers, attorneys, accountants, and other advisors and service providers retained by the Acquiror or any of its Consolidated Subsidiaries prior to the Merger Effective Time related to the Transactions, and all costs and expenses, including premiums, paid or payable in connection with the insurance to be obtained pursuant to Section 7.5 hereof.

Closing Company Net Asset Value

Except as mutually agreed by the Acquiror Special Committee and the Company Special Committee, in connection with the calculation of Closing Company Net Asset Value, the following valuation principles, assumptions, methodologies and adjustments shall apply:

1. Closing Company Net Asset Value shall be calculated in good faith as of the Determination Date based upon the book value of the Company's consolidated assets as of such date, as determined consistently with the portfolio valuation methods approved by the Company Board as of March 31, 2026 for valuing the securities and other assets of Company except as otherwise provided herein.
2. The following adjustments (to the extent appropriate on a per share basis) shall be made to the foregoing calculation of Closing Company Net Asset Value to the extent not already reflected therein (i.e., without duplication):
 - a. An accrual shall be made for any dividends declared or required to be declared by the Company but not paid as of the Merger Effective Time;
 - b. An adjustment shall be made to the carrying value of the Company's investment portfolio to record the Company's investment portfolio at fair value in accordance with FASB ASC 820 and ASC 946;
 - c. An adjustment shall be made to take into account any change to be made in the accounting treatment relating to any Transactions effected by the Company after the date of the Agreement, including, without limitation, any change in accounting treatment relates to, result from or is made in connection with the completion of the Merger;
 - d. An adjustment shall be made to reflect the acceleration of vesting of any unvested restricted stock awards issued by the Company (and any dividends paid in respect of the vesting of such restricted stock) as of immediately prior to the BDC Election Time pursuant to Section 1.6(3) of the Agreement; and adjustment shall be made to the Closing Company Net Asset Value; and
 - e. Adjustments shall be made to record unrealized gain/(loss) reflected under Unrealized Gain/(Loss) from inception to the anticipated Merger Effective Time, and to reverse the funded and unfunded portions of the current expected credit loss ("CECL") reserve, as determined pursuant to FASB ASC Topic 326 – *Financial Instruments – Credit Losses*, reflected under Current expected credit loss reserve and under Accounts payable and other liabilities in the consolidated financial statements, each from inception to the anticipated Merger Time; and
 - f. An adjustment shall be made, if appropriate, to reflect the obligations of the Company Manager under Section 9.4 of the Agreement. The amount of \$2,000,000 shall added to Closing Company Net Asset Value.
3. The calculation of Closing Company Net Asset Value shall be subject to the adjustments contemplated by Section 1.6(d) of the Agreement.

Other Principles

The Acquiror Adviser and the Company Manager agree to provide the Acquiror Special Committee and the Company Special Committee and their respective Representatives, upon reasonable request, reasonable access to the individuals who have prepared each calculation pursuant to the Agreement and this Exhibit A and to the information, books, records, work papers, and back-up materials used or useful in preparing the calculations of Closing Acquiror Net Asset Value and Closing Company Net Asset Value, including any reports prepared by valuation agents, in order to assist in the review of such calculations so long as such individuals remained employed by the Acquiror Adviser and the Company Manager, as applicable, and their respective Affiliates.

Schedule 1.9

At the Merger Effective Time, the Surviving Company board of directors will be comprised of three independent directors continuing from the Company (Elizabeth Stavola, Brandon Konigsberg, Jason Papastavrou), two independent directors continuing from Acquiror and two directors affiliated with the Acquiror Adviser or its Affiliates. With respect to the two existing independent directors of Acquiror that will continue in such capacity, the identities of such individuals have not been determined. Similarly, the two Acquiror Adviser affiliated directors have also not yet been determined. It is anticipated that parties will identify and determine the remaining directors that will constitute the Surviving Company board of directors prior to the filing of the Registration Statement.

VOTING AND SUPPORT AGREEMENT

This VOTING AND SUPPORT AGREEMENT (this "Agreement"), dated as of [____], 2026, is entered into by and among Chicago Atlantic Real Estate Finance, Inc., a Maryland corporation (the "Company"), and [●] (the "Stockholder").

RECITALS

WHEREAS, concurrently with the execution and delivery of this Agreement, (i) the Company, (ii) Chicago Atlantic BDC, Inc., a Maryland corporation (the "Acquiror"), (iii) solely for limited purposes, Chicago Atlantic BDC Advisers, LLC, a Delaware limited liability company (the "Acquiror Adviser"), and (iv) solely for limited purposes, Chicago Atlantic REIT Manager, LLC, a Delaware limited liability company (the "Company Manager"), are entering into an Agreement and Plan of Merger (as may be amended from time to time, the "Merger Agreement"; capitalized terms used but not defined herein shall have the meanings given to them in the Merger Agreement), which provides for, among other things, the merger of the Company with and into the Acquiror (the "Merger"), with the Acquiror surviving the Merger, upon the terms and subject to the conditions set forth in the Merger Agreement; and

WHEREAS, as of the date hereof, the Stockholder is the record and/or "beneficial owner" (within the meaning of Rule 13d-3 under the Exchange Act) of the number of shares of common stock, par value \$0.01 per share, of the Company (the "Company Common Stock") set forth opposite the Stockholder's name on Schedule A hereto under the heading "Owned Shares," being all of the shares of Company Common Stock owned of record or beneficially by the Stockholder as of the date hereof (the "Owned Shares").

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, the Stockholder and the Company hereby agree as follows:

1. Agreement to Vote the Covered Shares. Beginning on the date hereof until the Termination Date (as defined below), at every meeting of stockholders of the Company, including any postponement, recess or adjournment thereof, or in any other circumstance, however called, the Stockholder agrees to, and if applicable, to cause its controlled Affiliates to, affirmatively vote (including via proxy) or execute consents with respect to (or cause to be voted (including via proxy) or consents to be executed with respect to) all of the Owned Shares, if any, and any additional shares of Company Common Stock acquired by the Stockholder after the date hereof and prior to the Termination Date (collectively, and together with the Owned Shares, if any, the "Covered Shares") as follows: in favor of (i) the adoption of the Merger Agreement and approval of the Merger (including the Company BDC Election Matters and Company Merger Matters, and such other matters as are necessary for consummation of the Transactions), and (ii) the approval of any proposal to adjourn or postpone any meeting of stockholders of the Company to a later date if the Company proposes or requests such postponement or adjournment in accordance with the Merger Agreement, but, in each case, only to the extent that such Covered Shares are entitled to be voted on or consent to such proposal (clauses (i) and (ii) collectively, the "Supported Matters"). The Stockholder agrees to be present, in person or by proxy, at every meeting of stockholders of the Company, including any postponement, recess or adjournment thereof, or in any other circumstance, however called, to vote on the Supported Matters (in the manner described in this Section 1) so that the Covered Shares, if any, will be counted for purposes of determining the presence of a quorum at such meeting, or otherwise cause the Covered Shares, if any, to be counted as present thereat for purposes of establishing a quorum, but, in each case, only if the Stockholder is the holder of Covered Shares as of the record date for the applicable meeting. For the avoidance of doubt, other than with respect to the Supported Matters, the Stockholder does not have any obligation to vote the Covered Shares in any particular manner and, with respect to such other matters (other than the Supported Matters), the Stockholder shall be entitled to vote the Covered Shares in its sole discretion.

2. Termination. This Agreement shall terminate automatically and without further action of the parties hereto upon the earliest to occur of: (a) the date that is fifteen (15) months from the date hereof, (b) the valid termination of the Merger Agreement in accordance with its terms or (c) the Merger Effective Time (such date, event or time, the "Termination Date"); *provided*, that the provisions set forth in Sections 7 through 23 hereof shall survive the termination of this Agreement; and *provided, further*, that the termination of this Agreement shall not prevent any party hereto from seeking any remedies (at law or in equity) against any other party hereto for that party's Willful and Material Breach of this Agreement that may have occurred on or before such termination. For the purpose hereof, "Willful and Material Breach" means, with respect to any covenant, representation, warranty or other agreement set forth in this Agreement, a material breach that is a consequence of an act or failure to act undertaken or omitted to be taken by the breaching party with the actual knowledge that the taking of such act or failure to take such act would, or would reasonably be expected to, cause, or constitute a breach of the relevant covenant, representation, warranty or other agreement.

3. Certain Covenants of the Stockholder.

a. **Transfer Restrictions.** Beginning on the date hereof until the Termination Date, the Stockholder hereby covenants and agrees that, except as expressly contemplated pursuant to this Agreement, the Stockholder shall not, directly or indirectly (a) tender any Covered Shares into any tender or exchange offer, (b) offer, sell, transfer, assign, exchange, pledge, hypothecate, encumber or otherwise dispose of (collectively, "**Transfer**") or enter into any contract, option, agreement, understanding or other arrangement with respect to the Transfer of, any Covered Shares or beneficial ownership, voting power or any other interest thereof or therein (including by operation of law), (c) grant any proxies or powers of attorney, deposit any Covered Shares into a voting trust or enter into a voting agreement with respect to any Covered Shares that is inconsistent with this Agreement, or (d) commit or agree to take any of the foregoing actions. Notwithstanding anything to the contrary in this Agreement, the Stockholder may Transfer any or all of the Covered Shares to any of the Stockholder's Affiliates; *provided*, that, prior to and as a condition to the effectiveness of such Transfer, such transferee shall have executed and delivered to the Company a counterpart of this Agreement pursuant to which such transferee shall be bound by all of the terms and provisions of this Agreement. Any Transfer in violation of this **Section 3(a)** shall be void *ab initio*.

b. **Documentation and Information.** The Stockholder shall permit and hereby consents to and authorizes the Company to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that the Company reasonably determines to be necessary in connection with the Merger Agreement and any of the Transactions, including a copy of this Agreement, the identity of the Stockholder and its ownership of Covered Shares and the nature of the Stockholder's commitments and obligations under this Agreement. The Stockholder and its Affiliates shall reasonably cooperate with the Company, including providing such other information regarding the Stockholder and its Affiliates reasonably requested by the Company, in connection with the filings and notifications to be made with the SEC and other Governmental Authorities in connection with the Transactions.

4. Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to the Company as follows:

a. **Due Authority.** This Agreement has been duly executed and delivered by the Stockholder and, assuming the due execution and delivery of this Agreement by all of the other parties hereto, constitutes a valid and binding agreement of the Stockholder enforceable against the Stockholder in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting or relating to creditors' rights generally.

b. **No Conflict.** The execution and delivery of, compliance with and performance of this Agreement by the Stockholder do not and will not (a) conflict with or result in a violation or breach of any applicable law or (b) require any consent by any Person under, constitute a default, or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit the termination, cancellation or acceleration of any right or obligation or the loss of any benefit to which the Stockholder is entitled, under any Contract binding upon the Stockholder, or to which any of its properties, rights or other assets are subject, except any such violation, breach, conflict, consent, default, termination, acceleration, cancellation or loss that would not, individually or in the aggregate, reasonably be expected to restrict in any material respect, prohibit or impair in any material respect or materially delay the performance by the Stockholder of its obligations under this Agreement.

c. **Consents.** No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or any other Person, is required by or with respect to the Stockholder in connection with the execution and delivery of this Agreement or the performance by the Stockholder of its obligations under this Agreement, except (a) as required by the rules and regulations promulgated under the Exchange Act, the Securities Act, or state securities, takeover and "blue sky" laws, (b) the applicable rules and regulations of the SEC, Nasdaq or any applicable stock exchange, or (c) as would not, individually or in the aggregate, reasonably be expected to restrict in any material respect, prohibit, impair in any material respect or materially delay the performance by the Stockholder of its obligations under this Agreement.

d. **Ownership.** The Stockholder is, as of the date hereof, the record and beneficial owner of the Owned Shares, all of which are free and clear of any liens. As of the date hereof, the Stockholder does not own, of record or beneficially, any other shares of capital stock of the Company, or other rights to acquire shares of capital stock of the Company, in each case other than the Owned Shares. The Stockholder has the sole right to dispose of the Owned Shares and none of the Owned Shares is subject to any pledge, disposition, transfer or other agreement, arrangement or restriction. As of the date hereof, the Stockholder has not entered into any agreement to Transfer any Owned Shares and no person has a right to acquire any of the Owned Shares held by the Stockholder.

e. Absence of Litigation. As of the date hereof, there is no legal action pending against, or, to the knowledge of the Stockholder, threatened against the Stockholder that would reasonably be expected to prevent, or materially impair the ability of the Stockholder to perform its obligations under this Agreement.

5. Representations and Warranties of the Company. The Company hereby represents and warrants to the other and to the Stockholder as follows:

a. Due Authority. It is a legal entity duly organized, validly existing and in good standing under the laws of the State of Maryland. It has all requisite corporate power and authority and has taken all corporate action necessary (including approval by the Company Board (acting on the recommendation of the Company Special Committee) and the Company Special Committee) to execute, deliver, comply with and perform their respective obligations under this Agreement in accordance with the terms hereof, and no other organizational action by it or vote of holders of any class of the capital stock or other equity securities of it is necessary to approve and adopt this Agreement. This Agreement has been duly executed and delivered by it and, assuming the due execution and delivery of this Agreement by all of the other parties hereto, constitutes its valid and binding agreement enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting or relating to creditors' rights generally.

b. No Conflict. The execution and delivery of, compliance with, and performance of this Agreement by it does not and will not, other than as provided in the Merger Agreement with respect to the Merger and the other Transactions, (a) conflict with or result in any violation or breach of any provision of its organizational documents, (b) conflict with or result in a violation or breach of any law applicable to it, or (c) require any consent by any Person under, constitute a default, or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit the termination, cancellation or acceleration of any right or obligation or the loss of any benefit to which it or any of its Subsidiaries are entitled, under any Contract binding upon it or any of its Subsidiaries, or to which any of their respective properties, rights or other assets are subject, except in the case of clauses (b) and (c) above, any such violation, breach, conflict, consent, default, termination, acceleration, cancellation or loss that would not, individually or in the aggregate, reasonably be expected to restrict, prohibit or impair or materially delay the performance by it of its obligations under this Agreement.

c. Consents. No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or any other Person, is required by or with respect to it in connection with the execution and delivery of this Agreement or the performance by it of its obligations under this Agreement, except (a) as required by the rules and regulations promulgated under the Exchange Act, the Securities Act, or state securities, takeover and "blue sky" laws, (b) the applicable rules and regulations of the SEC, Nasdaq or any applicable stock exchange, or (c) as would not, individually or in the aggregate, reasonably be expected to restrict in any material respect, prohibit, impair in any material respect or materially delay the performance by it of its obligations under this Agreement.

6. Non-Survival of Representations, Warranties and Covenants. Other than the covenants and agreements set forth in Sections 7 through 23, which shall survive the Merger Effective Time, the representations, warranties and covenants contained herein shall not survive the Merger Effective Time.

7. Certain Adjustments. In the event of a stock split, stock dividend or distribution, or any change in the Company Common Stock by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, exchange of shares or the like, the terms "Company Common Stock," "Owned Shares" and "Covered Shares" shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

8. Further Assurances. The Stockholder shall, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as the Company may reasonably request to the extent necessary to effect the transactions contemplated by this Agreement.

9. Notices. 10. Interpretation. Where a reference in this Agreement is made to a section or schedule, such reference shall be to a section of or schedule to this Agreement unless otherwise indicated. If a term is defined as one part of speech (such as a noun), it shall have a corresponding meaning when used as another part of speech (such as a verb). Unless the context of this Agreement clearly requires otherwise, words importing the masculine gender shall include the feminine and neutral genders and vice versa, and the definitions of terms contained in this Agreement are applicable to the singular as well as the plural forms of such terms. The words “includes” or “including” shall mean “including without limitation,” the words “hereof,” “hereby,” “herein,” “hereunder” and similar terms in this Agreement shall refer to this Agreement as a whole and not any particular section or article in which such words appear, the word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends and such phrase shall not mean simply “if,” any reference to a law shall include any rules and regulations promulgated thereunder, and any reference to any law in this Agreement shall mean such law as from time to time amended, modified or supplemented.

11. Entire Agreement. This Agreement (along with the documents referenced herein) collectively constitute the entire agreement, and supersede all other prior agreements, understandings, representations and warranties both written and oral, among the parties hereto, with respect to the subject matter hereof.

12. No Third-Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

13. Governing Law; Waiver of Jury Trial. This Agreement is governed by and construed in accordance with the laws of the State of Maryland without giving effect to any choice or conflict of law provision or rule (whether of the State of Maryland or any other jurisdiction) that would cause or permit the application of laws of any jurisdictions other than those of the State of Maryland. Each of the parties (a) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding arising out of or relating to this Agreement, for and on behalf of itself or any of its properties or assets, in accordance with Section 9 or in such other manner as may be permitted by applicable law, but nothing in this Section 13 will affect the right of any party to serve legal process in any other manner permitted by applicable law, (b) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the courts of the State of Maryland and the United States District Court for the District of Maryland (the “Chosen Courts”) in the event that any dispute or controversy arises out of or relates to this Agreement, (c) irrevocably and unconditionally agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any Chosen Court, (d) agrees that any Legal Proceeding arising out of or relating to this Agreement will be brought, tried and determined only in the Chosen Courts, (e) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same, and (f) agrees that it will not bring any Legal Proceeding arising out of or relating to this Agreement in any court other than the Chosen Courts. Each of the parties agrees that a final judgment in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND AGREES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) IT MAKES THIS WAIVER VOLUNTARILY, AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.

14. Assignment; Successors. Except in connection with a permitted Transfer pursuant to Section 3(a) or as otherwise provided herein, neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party hereto without the prior written consent of the other parties hereto, and any such assignment without such prior written consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and assigns.

15. Enforcement. The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the parties hereto do not perform the provisions of this Agreement (including any party hereto failing to take such actions that are required of it hereunder in order to perform its obligations under this Agreement) in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that (a) the parties hereto will be entitled, in addition to any other remedy to which they are entitled at law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches (or threatened breaches) of this Agreement or to enforce specifically the terms and provisions hereof, (b) the parties hereto will not assert that a remedy of monetary damages would provide an adequate remedy for such breach and (c) the right of specific enforcement is an integral part of the transactions contemplated hereby and without that right, none of the Company or the Stockholder would have entered into this Agreement.

16. Non-Recourse. This Agreement may only be enforced against, and any Legal Proceeding based upon, arising out of, or related to this Agreement, or the negotiation, execution or performance of this Agreement, may only be brought against the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, officer, employee, incorporator, manager, member, general or limited partner, stockholder, equityholder, controlling person, Affiliate, agent, attorney or other Representative of any party hereto or any of their successors or permitted assigns or any direct or indirect director, officer, employee, incorporator, manager, member, general or limited partner, stockholder, equityholder, controlling person, Affiliate, agent, attorney, Representative, successor or permitted assign of any of the foregoing, shall have any liability to the Stockholder or the Company for any obligations or liabilities of any party under this Agreement or for any Legal Proceeding (whether in tort, contract or otherwise) based on, in respect of or by reason of the transactions contemplated hereby or in respect of any written or oral representations made or alleged to be made in connection herewith.

17. Waiver of Appraisal and Dissenters' Rights. The Stockholder hereby irrevocably and unconditionally agrees to waive or cause to be waived and not to assert any appraisal rights, any dissenters' rights and any similar rights under Sections 3-201 through 3-213 of the Maryland General Corporation Law with respect to any Covered Shares, or any claim alleging breach of fiduciary duties of the directors or officers of the Company, with respect to the Merger and the Transactions.

18. Severability. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties hereto further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

19. Counterparts. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties hereto need not sign the same counterpart. Any such counterpart, to the extent delivered by electronic delivery, will be treated in all manners and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto may raise the use of an electronic delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an electronic delivery, as a defense to the formation of a contract, and each party hereto forever waives any such defense, except to the extent such defense relates to lack of authenticity.

20. Amendment; Waiver. This Agreement may be amended by the parties hereto, and the terms and conditions hereof may be waived, only by an instrument in writing signed on behalf of each of the parties hereto, or, in the case of a waiver, by an instrument signed on behalf of the party waiving compliance. No failure or delay on the part of a party in the exercise of any right or remedy hereunder shall impair such right or power or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement herein, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right or power.

21. No Presumption Against Drafting Party. The Company and the Stockholder acknowledge that each party to this Agreement has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

VOTING AND SUPPORT AGREEMENT

This VOTING AND SUPPORT AGREEMENT (this “Agreement”), dated as of [____], 2026, is entered into by and among Chicago Atlantic BDC, Inc., a Maryland corporation (the “Acquiror”), and [●] (the “Stockholder”).

RECITALS

WHEREAS, concurrently with the execution and delivery of this Agreement, (i) Chicago Atlantic Real Estate Finance, Inc., a Maryland corporation (the “Company”), (ii) the Acquiror, (iii) solely for limited purposes, Chicago Atlantic BDC Advisers, LLC, a Delaware limited liability company (the “Acquiror Adviser”), and (iv) solely for limited purposes, Chicago Atlantic REIT Manager, LLC, a Delaware limited liability company (the “Company Manager”), are entering into an Agreement and Plan of Merger (as may be amended from time to time, the “Merger Agreement”; capitalized terms used but not defined herein shall have the meanings given to them in the Merger Agreement), which provides for, among other things, the merger of the Company with and into the Acquiror (the “Merger”), with the Acquiror surviving the Merger, upon the terms and subject to the conditions set forth in the Merger Agreement; and

WHEREAS, as of the date hereof, the Stockholder is the record and/or “beneficial owner” (within the meaning of Rule 13d-3 under the Exchange Act) of the number of shares of common stock, par value \$0.01 per share, of the Acquiror (the “Acquiror Common Stock”) set forth opposite the Stockholder’s name on Schedule A hereto under the heading “Owned Shares,” being all of the shares of Acquiror Common Stock owned of record or beneficially by the Stockholder as of the date hereof (the “Owned Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, the Stockholder and the Acquiror hereby agree as follows:

1. Agreement to Vote the Covered Shares. Beginning on the date hereof until the Termination Date (as defined below), at every meeting of stockholders of the Acquiror, including any postponement, recess or adjournment thereof, or in any other circumstance, however called, the Stockholder agrees to, and if applicable, to cause its controlled Affiliates to, affirmatively vote (including via proxy) or execute consents with respect to (or cause to be voted (including via proxy) or consents to be executed with respect to) all of the Owned Shares, if any, and any additional shares of Acquiror Common Stock acquired by the Stockholder after the date hereof and prior to the Termination Date (collectively, and together with the Owned Shares, if any, the “Covered Shares”) as follows: in favor of (i) the adoption of the Merger Agreement and approval of the Merger (including the Acquiror Stock Issuance and such other matters as are necessary for consummation of the Transactions), and (ii) the approval of any proposal to adjourn or postpone any meeting of stockholders of the Acquiror to a later date if the Acquiror proposes or requests such postponement or adjournment in accordance with the Merger Agreement, but, in each case, only to the extent that such Covered Shares are entitled to be voted on or consent to such proposal (clauses (i) and (ii) collectively, the “Supported Matters”). The Stockholder agrees to be present, in person or by proxy, at every meeting of stockholders of the Acquiror, including any postponement, recess or adjournment thereof, or in any other circumstance, however called, to vote on the Supported Matters (in the manner described in this Section 1) so that the Covered Shares, if any, will be counted for purposes of determining the presence of a quorum at such meeting, or otherwise cause the Covered Shares, if any, to be counted as present thereat for purposes of establishing a quorum, but, in each case, only if the Stockholder is the holder of Covered Shares as of the record date for the applicable meeting. For the avoidance of doubt, other than with respect to the Supported Matters, the Stockholder does not have any obligation to vote the Covered Shares in any particular manner and, with respect to such other matters (other than the Supported Matters), the Stockholder shall be entitled to vote the Covered Shares in its sole discretion.

2. Termination. This Agreement shall terminate automatically and without further action of the parties hereto upon the earliest to occur of: (a) the date that is fifteen (15) months from the date hereof, (b) the valid termination of the Merger Agreement in accordance with its terms or (c) the Merger Effective Time (such date, event or time, the "Termination Date"); *provided*, that the provisions set forth in Sections 7 through 23 hereof shall survive the termination of this Agreement; and *provided, further*, that the termination of this Agreement shall not prevent any party hereto from seeking any remedies (at law or in equity) against any other party hereto for that party's Willful and Material Breach of this Agreement that may have occurred on or before such termination. For the purpose hereof, "Willful and Material Breach" means, with respect to any covenant, representation, warranty or other agreement set forth in this Agreement, a material breach that is a consequence of an act or failure to act undertaken or omitted to be taken by the breaching party with the actual knowledge that the taking of such act or failure to take such act would, or would reasonably be expected to, cause, or constitute a breach of the relevant covenant, representation, warranty or other agreement.

3. Certain Covenants of the Stockholder.

a. Transfer Restrictions. Beginning on the date hereof until the Termination Date, the Stockholder hereby covenants and agrees that, except as expressly contemplated pursuant to this Agreement, the Stockholder shall not, directly or indirectly (a) tender any Covered Shares into any tender or exchange offer, (b) offer, sell, transfer, assign, exchange, pledge, hypothecate, encumber or otherwise dispose of (collectively, "Transfer") or enter into any contract, option, agreement, understanding or other arrangement with respect to the Transfer of, any Covered Shares or beneficial ownership, voting power or any other interest thereof or therein (including by operation of law), (c) grant any proxies or powers of attorney, deposit any Covered Shares into a voting trust or enter into a voting agreement with respect to any Covered Shares that is inconsistent with this Agreement, or (d) commit or agree to take any of the foregoing actions. Notwithstanding anything to the contrary in this Agreement, the Stockholder may Transfer any or all of the Covered Shares to any of the Stockholder's Affiliates; *provided*, that, prior to and as a condition to the effectiveness of such Transfer, such transferee shall have executed and delivered to the Acquiror a counterpart of this Agreement pursuant to which such transferee shall be bound by all of the terms and provisions of this Agreement. Any Transfer in violation of this Section 3(a) shall be void *ab initio*.

b. Documentation and Information. The Stockholder shall permit and hereby consents to and authorizes the Acquiror to publish and disclose in all documents and schedules filed with the SEC, and any press release or other disclosure document that the Acquiror reasonably determines to be necessary in connection with the Merger Agreement and any of the Transactions, including a copy of this Agreement, the identity of the Stockholder and its ownership of Covered Shares and the nature of the Stockholder's commitments and obligations under this Agreement. The Stockholder and its Affiliates shall reasonably cooperate with the Acquiror, including providing such other information regarding the Stockholder and its Affiliates reasonably requested by the Acquiror, in connection with the filings and notifications to be made with the SEC and other Governmental Authorities in connection with the Transactions.

4. Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to the Acquiror as follows:

a. Due Authority. This Agreement has been duly executed and delivered by the Stockholder and, assuming the due execution and delivery of this Agreement by all of the other parties hereto, constitutes a valid and binding agreement of the Stockholder enforceable against the Stockholder in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting or relating to creditors' rights generally.

b. No Conflict. The execution and delivery of, compliance with and performance of this Agreement by the Stockholder do not and will not (a) conflict with or result in a violation or breach of any applicable law or (b) require any consent by any Person under, constitute a default, or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit the termination, cancellation or acceleration of any right or obligation or the loss of any benefit to which the Stockholder is entitled, under any Contract binding upon the Stockholder, or to which any of its properties, rights or other assets are subject, except any such violation, breach, conflict, consent, default, termination, acceleration, cancellation or loss that would not, individually or in the aggregate, reasonably be expected to restrict in any material respect, prohibit or impair in any material respect or materially delay the performance by the Stockholder of its obligations under this Agreement.

c. Consents. No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or any other Person, is required by or with respect to the Stockholder in connection with the execution and delivery of this Agreement or the performance by the Stockholder of its obligations under this Agreement, except (a) as required by the rules and regulations promulgated under the Exchange Act, the Securities Act, or state securities, takeover and “blue sky” laws, (b) the applicable rules and regulations of the SEC, Nasdaq or any applicable stock exchange, or (c) as would not, individually or in the aggregate, reasonably be expected to restrict in any material respect, prohibit, impair in any material respect or materially delay the performance by the Stockholder of its obligations under this Agreement.

d. Ownership. The Stockholder is, as of the date hereof, the record and beneficial owner of the Owned Shares, all of which are free and clear of any liens. As of the date hereof, the Stockholder does not own, of record or beneficially, any other shares of capital stock of the Acquiror, or other rights to acquire shares of capital stock of the Acquiror, in each case other than the Owned Shares. The Stockholder has the sole right to dispose of the Owned Shares and none of the Owned Shares is subject to any pledge, disposition, transfer or other agreement, arrangement or restriction. As of the date hereof, the Stockholder has not entered into any agreement to Transfer any Owned Shares and no person has a right to acquire any of the Owned Shares held by the Stockholder.

e. Absence of Litigation. As of the date hereof, there is no legal action pending against, or, to the knowledge of the Stockholder, threatened against the Stockholder that would reasonably be expected to prevent, or materially impair the ability of the Stockholder to perform its obligations under this Agreement.

5. Representations and Warranties of the Acquiror. The Acquiror hereby represents and warrants to the other and to the Stockholder as follows:

a. Due Authority. It is a legal entity duly organized, validly existing and in good standing under the laws of the State of Maryland. It has all requisite corporate power and authority and has taken all corporate action necessary (including approval by the Acquiror Board (acting on the recommendation of the Acquiror Special Committee) and the Acquiror Special Committee) to execute, deliver, comply with and perform their respective obligations under this Agreement in accordance with the terms hereof, and no other organizational action by it or vote of holders of any class of the capital stock or other equity securities of it is necessary to approve and adopt this Agreement. This Agreement has been duly executed and delivered by it and, assuming the due execution and delivery of this Agreement by all of the other parties hereto, constitutes its valid and binding agreement enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting or relating to creditors’ rights generally.

b. No Conflict. The execution and delivery of, compliance with, and performance of this Agreement by it does not and will not, other than as provided in the Merger Agreement with respect to the Merger and the other Transactions, (a) conflict with or result in any violation or breach of any provision of its organizational documents, (b) conflict with or result in a violation or breach of any law applicable to it, or (c) require any consent by any Person under, constitute a default, or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit the termination, cancellation or acceleration of any right or obligation or the loss of any benefit to which it or any of its Subsidiaries are entitled, under any Contract binding upon it or any of its Subsidiaries, or to which any of their respective properties, rights or other assets are subject, except in the case of clauses (b) and (c) above, any such violation, breach, conflict, consent, default, termination, acceleration, cancellation or loss that would not, individually or in the aggregate, reasonably be expected to restrict, prohibit or impair or materially delay the performance by it of its obligations under this Agreement.

c. **Consents.** No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or any other Person, is required by or with respect to it in connection with the execution and delivery of this Agreement or the performance by it of its obligations under this Agreement, except (a) as required by the rules and regulations promulgated under the Exchange Act, the Securities Act, or state securities, takeover and “blue sky” laws, (b) the applicable rules and regulations of the SEC, Nasdaq or any applicable stock exchange, or (c) as would not, individually or in the aggregate, reasonably be expected to restrict in any material respect, prohibit, impair in any material respect or materially delay the performance by it of its obligations under this Agreement.

6. Non-Survival of Representations, Warranties and Covenants. Other than the covenants and agreements set forth in Sections 7 through 23, which shall survive the Merger Effective Time, the representations, warranties and covenants contained herein shall not survive the Merger Effective Time.

7. Certain Adjustments. In the event of a stock split, stock dividend or distribution, or any change in the Acquiror Common Stock by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, exchange of shares or the like, the terms “Acquiror Common Stock,” “Owned Shares” and “Covered Shares” shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

8. Further Assurances. The Stockholder shall, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as the Acquiror may reasonably request to the extent necessary to effect the transactions contemplated by this Agreement.

9. Notices. All notices and other communications under this Agreement must be in writing and will be deemed to have been duly delivered and received using one or a combination of the following methods: (i) four (4) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (ii) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; (iii) immediately upon delivery by hand; or (iv) on the date sent by email. 10. Interpretation. Where a reference in this Agreement is made to a section or schedule, such reference shall be to a section of or schedule to this Agreement unless otherwise indicated. If a term is defined as one part of speech (such as a noun), it shall have a corresponding meaning when used as another part of speech (such as a verb). Unless the context of this Agreement clearly requires otherwise, words importing the masculine gender shall include the feminine and neutral genders and vice versa, and the definitions of terms contained in this Agreement are applicable to the singular as well as the plural forms of such terms. The words “includes” or “including” shall mean “including without limitation,” the words “hereof,” “hereby,” “herein,” “hereunder” and similar terms in this Agreement shall refer to this Agreement as a whole and not any particular section or article in which such words appear, the word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends and such phrase shall not mean simply “if,” any reference to a law shall include any rules and regulations promulgated thereunder, and any reference to any law in this Agreement shall mean such law as from time to time amended, modified or supplemented.

11. Entire Agreement. This Agreement (along with the documents referenced herein) collectively constitute the entire agreement, and supersede all other prior agreements, understandings, representations and warranties both written and oral, among the parties hereto, with respect to the subject matter hereof.

12. No Third-Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

13. Governing Law; Waiver of Jury Trial. This Agreement is governed by and construed in accordance with the laws of the State of Maryland without giving effect to any choice or conflict of law provision or rule (whether of the State of Maryland or any other jurisdiction) that would cause or permit the application of laws of any jurisdictions other than those of the State of Maryland. Each of the parties (a) irrevocably consents to the service of the summons and complaint and any other process (whether inside or outside the territorial jurisdiction of the Chosen Courts) in any Legal Proceeding arising out of or relating to this Agreement, for and on behalf of itself or any of its properties or assets, in accordance with Section 9 or in such other manner as may be permitted by applicable law, but nothing in this Section 13 will affect the right of any party to serve legal process in any other manner permitted by applicable law, (b) irrevocably and unconditionally consents and submits itself and its properties and assets in any Legal Proceeding to the exclusive general jurisdiction of the courts of the State of Maryland and the United States District Court for the District of Maryland (the “Chosen Courts”) in the event that any dispute or controversy arises out of or relates to this Agreement, (c) irrevocably and unconditionally agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any Chosen Court, (d) agrees that any Legal Proceeding arising out of or relating to this Agreement will be brought, tried and determined only in the Chosen Courts, (e) waives any objection that it may now or hereafter have to the venue of any such Legal Proceeding in the Chosen Courts or that such Legal Proceeding was brought in an inconvenient court and agrees not to plead or claim the same, and (f) agrees that it will not bring any Legal Proceeding arising out of or relating to this Agreement in any court other than the Chosen Courts. Each of the parties agrees that a final judgment in any Legal Proceeding in the Chosen Courts will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE PURSUANT TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING (WHETHER FOR BREACH OF CONTRACT, TORTIOUS CONDUCT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND AGREES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) IT MAKES THIS WAIVER VOLUNTARILY, AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.

14. Assignment; Successors. Except in connection with a permitted Transfer pursuant to Section 3(a) or as otherwise provided herein, neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party hereto without the prior written consent of the other parties hereto, and any such assignment without such prior written consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and assigns.

15. Enforcement. The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the parties hereto do not perform the provisions of this Agreement (including any party hereto failing to take such actions that are required of it hereunder in order to perform its obligations under this Agreement) in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that (a) the parties hereto will be entitled, in addition to any other remedy to which they are entitled at law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches (or threatened breaches) of this Agreement or to enforce specifically the terms and provisions hereof, (b) the parties hereto will not assert that a remedy of monetary damages would provide an adequate remedy for such breach and (c) the right of specific enforcement is an integral part of the transactions contemplated hereby and without that right, none of the Acquiror or the Stockholder would have entered into this Agreement.

16. Non-Recourse. This Agreement may only be enforced against, and any Legal Proceeding based upon, arising out of, or related to this Agreement, or the negotiation, execution or performance of this Agreement, may only be brought against the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, officer, employee, incorporator, manager, member, general or limited partner, stockholder, equityholder, controlling person, Affiliate, agent, attorney or other Representative of any party hereto or any of their successors or permitted assigns or any direct or indirect director, officer, employee, incorporator, manager, member, general or limited partner, stockholder, equityholder, controlling person, Affiliate, agent, attorney, Representative, successor or permitted assign of any of the foregoing, shall have any liability to the Stockholder or the Acquiror for any obligations or liabilities of any party under this Agreement or for any Legal Proceeding (whether in tort, contract or otherwise) based on, in respect of or by reason of the transactions contemplated hereby or in respect of any written or oral representations made or alleged to be made in connection herewith.

17. Waiver of Appraisal and Dissenters' Rights. The Stockholder hereby irrevocably and unconditionally agrees to waive or cause to be waived and not to assert any appraisal rights, any dissenters' rights and any similar rights under Sections 3-201 through 3-213 of the Maryland General Corporation Law with respect to any Covered Shares, or any claim alleging breach of fiduciary duties of the directors or officers of the Acquiror, with respect to the Merger and the Transactions.

18. Severability. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties hereto further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

19. Counterparts. This Agreement and any amendments hereto may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto, it being understood that all parties hereto need not sign the same counterpart. Any such counterpart, to the extent delivered by electronic delivery, will be treated in all manners and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto may raise the use of an electronic delivery to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through the use of an electronic delivery, as a defense to the formation of a contract, and each party hereto forever waives any such defense, except to the extent such defense relates to lack of authenticity.

20. Amendment; Waiver. This Agreement may be amended by the parties hereto, and the terms and conditions hereof may be waived, only by an instrument in writing signed on behalf of each of the parties hereto, or, in the case of a waiver, by an instrument signed on behalf of the party waiving compliance. No failure or delay on the part of a party in the exercise of any right or remedy hereunder shall impair such right or power or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement herein, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right or power.

21. No Presumption Against Drafting Party. The Acquiror and the Stockholder acknowledge that each party to this Agreement has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

22. Special Committee Approval. Notwithstanding any provision to the contrary, no amendment or waiver of any provision of this Agreement shall be made by the Acquiror or the Acquiror Board without first obtaining the approval of the Acquiror Special Committee, and the Acquiror Special Committee shall direct enforcement by the Acquiror of any provisions of this Agreement against the Stockholder.

23. No Agreement Until Executed. Irrespective of negotiations among the parties or the exchanging of drafts of this Agreement, this Agreement shall not constitute or be deemed to evidence a contract, agreement, arrangement or understanding between the parties unless and until (a) the Acquiror Board and the Acquiror Special Committee have approved, for purposes of any applicable anti-takeover laws and regulations, and any applicable provision of the charter or bylaws of the Acquiror or any other similar organizational document of the Acquiror, the Merger Agreement, the Support Agreements and the Transactions, including the Merger, (b) the Merger Agreement is executed by all parties thereto and (c) this Agreement is executed and delivered by all parties hereto.

This CONSENT AND LIMITED WAIVER (this "Consent") is made as of June 17, 2026, by the undersigned director and/or officer ("Undersigned") of Chicago Atlantic Real Estate Finance, Inc., a Maryland corporation (the "Company").

WHEREAS, the Undersigned is entitled to exculpation from liability, indemnification, and reimbursement of expenses pursuant to the Maryland General Corporation Law (the "MGCL"), the Company's Articles of Amendment and Restatement, as amended (the "Charter"), including Article V, and Article IX thereof, the Company's Amended and Restated Bylaws (the "Bylaws"), and a Director and/or Officer Indemnification Agreement between the Company and the Undersigned (the "Indemnification Agreement");

WHEREAS, the Company is in the process of electing to be regulated as a business development company ("BDC") under the Investment Company Act of 1940, as amended (the "Investment Company Act"), by filing a notification of election on Form N-54A with the U.S. Securities and Exchange Commission (the "SEC");

WHEREAS, Section 17(h) of the Investment Company Act prohibits any provision in the charter, bylaws, or other governing documents of a registered investment company (including a BDC) that protects or purports to protect any director or officer against liability to the company or its stockholders to which such person would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of his or her office; and

WHEREAS, in order to ensure full compliance with the Investment Company Act in connection with the Company's BDC election, the Undersigned desires to provide this Consent on the terms set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Undersigned hereby irrevocably agrees as follows:

1. Effective Time. 2. Limited Waiver. Effective as of the Effective Time, notwithstanding any provision of the Maryland General Corporation Law, the Charter (including, without limitation, Article IX and Article V thereof), the Bylaws, or the Indemnification Agreement to the contrary, the Undersigned hereby irrevocably waives any right to exculpation from liability, indemnification, or reimbursement of expenses under the Charter, the Bylaws, or the Indemnification Agreement solely to the extent that such exculpation, indemnification, or reimbursement is expressly prohibited by Section 17(h) of the Investment Company Act (15 U.S.C. § 80a-17(h)), or any rules or regulations promulgated thereunder by the SEC.

3. Preservation of Rights. Except as expressly limited by Section 2 of this Consent, all rights of the Undersigned to exculpation, indemnification, advancement of expenses, and reimbursement under the Charter, the Bylaws, the Indemnification Agreement, applicable Maryland law, directors' and officers' liability insurance, and any other agreement or arrangement shall remain in full force and effect and are not modified, diminished, or otherwise affected by this Consent.

4. Irrevocability. This Consent is irrevocable and shall be binding upon the Undersigned and his or her heirs, executors, administrators, and legal representatives; provided, however, that it shall terminate automatically if the Company elects not to proceed with the BDC election contemplated hereby or if the Effective Time shall not have occurred prior to June 30, 2026.

5. Governing Law. This Consent shall be governed by, and construed in accordance with, the laws of the State of Maryland.

Chicago Atlantic Real Estate Finance, Inc. and Chicago Atlantic BDC, Inc. Announce Definitive Merger Agreement

Creates a scaled BDC positioned for growth while maintaining industry leading credit quality and portfolio yield

NEW YORK, June 18, 2026 — Chicago Atlantic Real Estate Finance, Inc. (“REFI”) (NASDAQ: REFI), a commercial mortgage real estate investment trust, and Chicago Atlantic BDC, Inc. (the “LIEN”) (NASDAQ: LIEN), a specialty finance company that has elected to be regulated as a business development company (“BDC”), today announced they have entered into a definitive merger agreement (the “Merger Agreement”) under which REFI will elect to be regulated as a BDC, and merge with and into LIEN in an all-stock, strategic combination (the “Merger”). Upon closing of the Merger, LIEN will be the surviving public entity and will continue to operate as a BDC and trade on the Nasdaq Global Select Market under the ticker symbol “LIEN.”

The Board of Directors of both companies, each acting on the unanimous recommendation of their respective special committee comprised solely of independent directors, unanimously approved the Merger Agreement and the transactions contemplated thereby. Under the terms of the Merger Agreement, REFI stockholders will receive a number of shares of LIEN common stock based on the ratio of REFI’s adjusted net asset value (“NAV”) per share to LIEN’s adjusted NAV per share, in each case as determined shortly prior to closing in accordance with the Merger Agreement. Based on the respective net asset values of REFI and LIEN as of March 31, 2026, the former REFI stockholders would be expected to own approximately 50.5% of LIEN immediately following the Merger; the actual ownership percentage will depend on the NAV ratio calculated shortly prior to closing. The Merger is structured as an adjusted NAV-for-NAV exchange of shares.

Peter Sack, Co-Chief Executive Officer of REFI and, Chief Executive Officer of LIEN stated “The merger of REFI and LIEN brings together two platforms with a shared foundation of disciplined, senior secured lending to the cannabis industry and underserved segments of the lower middle markets. For REFI, this transaction is a path to unlock value that would be difficult to achieve independently in the current evolving cannabis investment landscape. For LIEN, this transaction accelerates the core strategy.” Mr. Sack continued, “Together, we believe the combined platform will be better positioned to pursue attractive risk-adjusted returns across cannabis and the broader lower middle market.”

Scott Gordon, Executive Chairman of the Board of Directors of LIEN remarked, “The merger of REFI and LIEN is a strategic transaction that we believe will enhance value for stockholders. We view this as an important step on our path to pursuing greater scale, supporting earnings over time and maintaining strong credit quality for the combined company.”

Strategic Benefits of the Merger:

- **Increases Competitive Positioning** – The Merger creates a vehicle with a pro-forma NAV of \$613 million¹, and a pro-forma portfolio of \$771 million¹ in investments, which the parties believe could expand the combined company’s reach with a broader universe of borrowers.
- **Enhances Portfolio Diversification and Collateral Base** – The pro forma vehicle is expected to include an attractive mix of cash-flow loans, real estate-backed loans, and diversified direct lending.
- **Improves Access to Debt Capital** – Increased scale is expected to expand access to larger, lower-cost, and more diversified leverage, which the boards believe could support more efficient balance sheet management over time, driving incremental earnings.
- **Enhances Liquidity and Investor Visibility** – Increased scale may support improved trading liquidity, increased institutional engagement and visibility.
- **Potential for Earnings Accretion** – The boards believe the combination has the potential to drive operating efficiencies through the elimination of overlapping expense categories and may support increased earnings capacity over time through prudent use of leverage.

¹ Pro-forma information based on March 31, 2026 financial statements as reported on Form 10-Q.

- **Strong Pro Forma Portfolio Metrics** – Results in a pro-forma portfolio with strong, credit metrics, reflecting the aligned investment and underwriting philosophies of the combined platforms.
- **Stock Repurchase Program** – The Merger agreement provides that the LIEN board will consider in good faith, the adoption of a stock repurchase program of up to \$25.0 million to be implemented following the closing of the transaction, subject to market conditions and other factors the LIEN Board determines to be relevant at that time.

End Notes

- 1) Represents the investment portfolio of the Combined Company, comprised of i) LIEN's investments at fair value as of March 31, 2026, as reported, and ii) REFI's investments as of March 31, 2026, adjusted to a fair value basis based on most recent third-party valuations.
- 2) Prior to the merger, REFI (currently a REIT) will elect BDC status by filing Form N-54A with the SEC and pay a special distribution to eliminate all accumulated earnings and profits. The merger is intended to qualify as a tax-free reorganization under Section 368(a) of the Code, such that REFI stockholders would generally not recognize gain or loss on their shares. A tax opinion confirming this treatment is a condition to closing. Investors should consult their own tax advisors.
- 3) Capitalized terms herein are as defined in the Merger Agreement dated June 18, 2026, as filed with the SEC.
- 4) "TTM Realized Gross Yield" Basis of calculation: The trailing-twelve-month ("TTM") effective yield presented for each issuer is computed as TTM income divided by the trailing five-quarter average loan principal outstanding; TTM income comprises the four most recent fiscal quarters of total gross investment income for Chicago Atlantic BDC (NASDAQ: LIEN) and of interest income for Chicago Atlantic Real Estate Finance (NASDAQ: REFI), in each case as reported in the respective issuer's Forms 10-Q and 10-K. The five-quarter average principal represents the simple arithmetic mean of total loan principal outstanding at the five consecutive quarter-end dates spanning the measurement period (i.e., the period-end balance together with the four immediately preceding quarter-ends). The "Combined" effective yield treats the two issuers as a single aggregated portfolio and is computed as the sum of both issuers' TTM income divided by the sum of their respective five-quarter average principal balances, thereby representing a principal-weighted blended yield rather than a simple average of the two individual yields. The foregoing measures are non-GAAP, are derived from publicly filed financial statements, and have not been independently audited, reviewed, or otherwise verified by us; accordingly, this information is presented solely for comparative analytical purposes and should be read in conjunction with each issuer's complete audited financial statements and related notes. The Gross Weighted-Average Portfolio Yield for LIEN as of 3/31/2026 was 15.8%. The yield to maturity rate of return as reported for REFI as of 3/31/2026 was 15.8%.
- 5) Net asset value presented for REFI reflects adjustment for REFI's GAAP stockholders' equity of \$303.4 million to reflect the add-back the reversal of CECL reserves and the fair value of investments on a comparable basis with LIEN to present net assets consistent with BDC reporting standards.
- 6) Represents REFI's investments at fair value as of March 31, 2026, adjusted on a fair value basis based on most recent third-party valuations.
- 7) Excludes one non-accrual position with approximately \$3.2 million of total outstanding principal value as of March 31, 2026. The borrower repaid the outstanding balance on this loan subsequent to the quarter ended March 31, 2026. Non-accrual investments as a percentage of cost, on an unadjusted basis, would be 4.8%.
- 8) Portfolio metrics are presented across two categories based on the primary underwriting metric applicable to each loan. The Real Estate ("RE") includes loans underwritten primarily on real estate collateral, for which the RE Coverage Ratio — defined as the Allocable RE Value, as determined by the most recent independent third-party appraisal, divided by the outstanding loan balance at fair value — is the key underwriting and monitoring metric. Allocable RE Value represents the portion of the total appraised real estate value attributable to LIEN's collateral position and may be less than the full appraised value of the underlying property. This metric is calculated based on the weighted average of all debt investments in the portfolio, based on the fair value.
- 9) Based on principal outstanding for the Combined Company, approximately \$342.2 million (43.9%) and \$205.3 million (26.3%) of total outstanding principal bears interest based on the Prime Rate and Secured Overnight Financing Rate ("SOFR"), respectively.
- 10) Industries follow NAICS 2-digit Sector categorizations.
- 11) Universe comprised of externally-managed BDCs with total assets greater than \$100.0 million. Source: "Weekly BDC/RE Market Overview", Keefe, Bruyette & Woods published June 5, 2026.
- 12) Assumes consents received from each of the senior secured and unsecured lending syndicates of both REFI and LIEN.
- 13) Represents the TTM as of March 31, 2026, pro forma performance of the Combined Company, adjusted for changes in fee contracts and stock compensation. Assumes incremental debt added to the balance sheet to obtain a debt-to-equity ratio of 0.90x, with an 8.00% cost of incremental debt capital, deployed capital assumes all in yield on investments of 16.73%, consisting of 15.8% plus 0.93% upfront fees collected on the deployment of the illustrative amount of incremental debt totaling approx. \$376 million. Amounts assumed to be realized at t=0. Actual results may vary.
- 14) REFI revolving loan has \$110.0 million of current borrowing capacity and may be increased to \$150.0 million pursuant to a committed accordion feature.
- 15) "Adjusted Net Income" The Combined Company Net Income is adjusted for i) Provision (Benefit) for Current Expected Credit Losses, ii) Change in Unrealized Gain (Loss). Pro forma Net Income accounts for the impact of REFI election to be treated as a BDC (including stock-based compensation) and the impact on the entity for the assumption in new leverage.
- 16) Represents the TTM as of March 31, 2026, aggregate performance of the two entities. REFI performance includes stock-based compensation expense of \$3.6 million an excludes estimated CECL reserve of \$5.6 million.
- 17) Includes potential expense synergies of up to 0.18% of Combined Company pro forma total assets.
- 18) Includes potential refinancings of existing assets. Data as of March 31, 2026.

- 21) Total return index assumes dividends reinvested on ex-dividend date; series initialized at 100 on first trading day. Methodology: $IQ_CLOSEPRICE_ADJ$ (backward dividend-adjusted close price), $Index_t = (P_{adj,t} / P_{adj_base}) \times 100$ — mathematically equivalent to chaining daily total returns. - 23) Cash Flow Loans ("CFL") includes loans underwritten on enterprise cash flow, for which Senior Net Debt / EBITDA and Interest Coverage Ratio are the key underwriting and monitoring metrics. Classification into the CFL Bucket is determined at origination based on the primary underwriting methodology and is not changed unless there is a material change in the nature of the credit support. Excluded from the CFL portfolio metrics include: (i) loans on non-accrual status, (ii) portfolio companies that report negative or de minimis EBITDA, and (iii) investment funds and special purpose vehicles for which standard operating metrics are not applicable and (iv) investments classified as real estate loans, as described above. Amounts were derived from the portfolio company financial statements used in connection with determining the investment valuations as of March 31, 2026, have not been independently verified by LIEN, and may reflect a normalized or adjusted amount. Accordingly, LIEN makes no representation or warranty in respect of this information. In accordance with the terms of the Loan Portfolio Acquisition Agreement, at the effective time of the Loan Portfolio Acquisition, LIEN issued approximately 16.6 million shares of its common stock to CALP in exchange for the Loan Portfolio, which was determined by LIEN to have a fair value of approximately \$219.6 million as of September 28, 2024.
